This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

### **Kentucky Equal Employment Opportunity Act**

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded

contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;

- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

- (1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.
- (2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available work-force in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

### The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

*The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.*

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

*The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.*

\*\*\*\*\*

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

**LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT**

**REQUEST FOR PROPOSALS  
RFP #18-2017**

**CENTRAL ADVANCED TRAFFIC MANAGEMENT SYSTEM (ATMS)  
And

**A. Purpose**

The Lexington-Fayette Urban County Government (LFUCG) is soliciting proposals from interested and qualified product developers/vendors to provide central system software, local controller software, compatible CPU module, data migration, implementation and integration of a new Advanced Traffic Management System (ATMS) plus field components. The ATMS shall be implemented to meet the needs of the LFUCG Division of Traffic Engineering (TE) to provide enhanced traffic management now and into the future as Intelligent Transportation Systems (ITS) technologies progress.

**B. Overview**

TE currently monitors and operates (400) local, 2070ATC controllers running OASIS firmware by Econolite. The central ATMS is CENTRACS 2.0 also by Econolite. OASIS is a legacy platform no longer supported by the developer. Therefore, to take advantage of the central ATMS, TE is entertaining proposals for a major upgrade to the traffic management system to take full advantage of emerging technologies and fiber-optic communications infrastructure.

**C. Scope of Requested Services**

The scope of services set forth in this Request for Proposal represents an outline of the items to include in the proposal and services that LFUCG anticipates the selected vendor to perform.

1. **Central ATMS Installation** – Vendor shall provide an ATMS system capable or running up to (500) field devices (controllers) and coordinate with TE and Information Technology (IT) staff in installing the required software on virtual servers currently at LFUCG. If the ATMS is different than CENTRACS 2.0, both systems will need to run together throughout the system migration to ensure continuous system integrity.
2. **Data Conversion** – Vendor shall convert individual controller data stored in the central ATMS from OASIS to the compatible format. There are approximately (375) signalized intersection controllers, (15) lane use controllers, and (12) combination intersection/lane use controllers where three center lanes shift throughout the day.

Software and modules shall be compatible with the selected central ATMS and meet current Advanced Transportation Controller (ATC) Standards. Supplier must be able to deliver at least (50) modules per month until all are received. Vendor is not expected to upload individual intersection data or perform CPU module change-outs other than for instructional purposes.
4. **Testing and Training** – Vendor shall test and confirm that the central ATMS functions and operates in accordance with the characteristics and specifications as promised. The vendor and/or system developer shall provide on-site training and a written User's Manual for all ATMS and Local Equipment. The manual shall include system drawings, network diagrams, administrative instructions, operator instructions, and trouble shooting.
5. **Develop Draft Systems Acceptance Test Plan and Training Material** – The vendor shall develop and submit for approval a System Acceptance Test (SAT) Plan for the ATMS. The SAT shall be conducted by the Vendor and LFUCG Traffic Engineering personnel at the TMC where the ATMS is hosted as a part of the implementation in accordance with the approved delivery and test procedures.
  - a. The Vendor shall develop a structured training program that will be reviewed and approved by LFUCG. This training program shall include formal instruction in all applicable components of the ATMS, as well as system administration and support. Training shall include, at a minimum, the following topics:

**Deliverables:** Final System Acceptance Test plan, Final Training Materials, Conduct Training

#### **D. Selection Criteria and RFP Submittal Process**

Selection criteria will be as follows:

- (1) Features of the central ATMS, ability to adapt to emerging technologies, and documented successful deployments of the proposed system. (30 points)

Each Vendor, by submitting its proposal, waives any claim for liability against the LFUCG as to loss, injury and costs or expenses that may be incurred as a consequence of its response to this document.

The Selection Committee may request a short interview of the vendor submitting a proposal as part of the selection process. Once a proposal is selected, should the LFUCG be unable to negotiate a satisfactory contract with the selected firm at a price determined to be fair and reasonable, negotiations with that firm shall be formally terminated. LFUCG will then select from the remaining vendors the next one to be offered the project. All proposals shall be valid for a period of **90 days** from the submission date.
