Angie Green, Recreation Manager (Community Centers)
Parks and Recreation
545 North Upper Street
Lexington, Kentucky 40508

Dear Ms. Green,

On behalf of the Bluegrass-Aspendale Teen Center (BATC), the Lexington-Fayette County Health Department would like to donate two televisions to the William Wells Brown Community Center for educational and research purposes.

Many of the children and families that participated in BATC are now participating in various programs at the Community Center. William Wells Brown has been working diligently in the East-end community to offer educational, recreational and life opportunities to the residents. We support and applaud these efforts and hope this small donation will be beneficial to the families.

Sincerely,
Mark A. Johnson, MSSW
Community Health Equity and Education Team Leader
