RE: Bid #12-2013

Bid (#12-2013) Hydraulic Oil for the Division of Fleet Services was received by the Division of Central Purchasing on March 29, 2013. The low bid was submitted by Key Oil Co. for a drum price of 6.72 and a Bulk price of 6.05. The second low was submitted by Elite Petroleum for a drum price 7.00 and a bulk price of 6.54.

Specs called for a "Viscosity Index of 130 minimum", Key Oil specs were 97 which is below 130. Elite Petroleum specs were 140 which exceeds 130

We recommend Elite Petroleum. Elite Petroleum submitted a responsive bid that meets specifications and is within budgetary constraints.
