Lexington, Kentucky

DATE OF ISSUE

EFFECTIVE DATE

NUMBER

TO: Commander Sedlaczek Bureau of Special Operations	SUBJECT: Thoroughbred Aviation
FROM: Lt. Brand Bureau of Special Operations	

Commander:

This memo is in reference to requesting approval to add Thoroughbred Aviation as a sole source vendor for the Lexington Police Department. Thoroughbred Aviation has purchased RJ Corman helicopter and will be based out of Nicholasville, Kentucky. This company will be able to provide service in a rapid manner. Their location makes it convenient to work on our helicopters; the nearest helicopter service center besides Thoroughbred is located in Bristol, Tennessee.

Please advise if you need further information:

Respectfully;

Lt Mark Brand

The attached company is now the vendor for Air One maintenance rather than RJ Corman, you need to put this in Legistar correct?

Since the costs is over \$20,000, this need to be blue sheeted and approved by Council. The repairs are paid for by asset forfeiture and the Chief's Office has approved the repairs. The previous approved is no longer valid since the company has been purchased by Thoroughbred Aviation.

Commander:

RJ Corman aviation was purchased by Thoroughbred Aviation. They will be conducting maintenance inspections and completing repairs on our helicopters in the future. I need council to approve Thoroughbred Aviation as a sole source vendor. We had a sole source approval from council for RJ Corman before the sale. There is no closer service area to do maintenance work on helicopters. Both of our helicopters are due for major repairs to include a tail rotor. Please see attached documents.

Thanks
