The price referenced herein is inclusive of fuel to the delivery point.

The price referenced herein represents basis only and does not include any applicable commodity price. For the fixed quantities and Delivery Period shown herein, if Customer has not otherwise locked the commodity price for a specific month, the commodity price shall be the NYMEX last day settle price for that month.

Incremental Pricing: For all additional quantities required by Customer, in excess of the fixed quantities listed herein in combination with any other nominated quantities, or for gas quantities bought back from Customer by Constellation due to Customer's requirements being less than the total nominated volumes each month, the price for such additional purchases or buybacks shall be based on the then-current spot market price, as determined by Constellation in its reasonable discretion.

If Constellation and Customer have previously entered into any commodity transaction(s) for the Facility (the "Previous Transaction") that overlap one or more of the delivery months covered in this Transaction Confirmation (the "Overlapping Month(s)"), the incremental gas pricing in this Transaction Confirmation shall apply to the Overlapping Months instead of any conflicting incremental gas pricing associated with the Previous Transaction.
