JAG Standard Terms and Conditions:

1. The Contractor at any tier shall comply with applicable portions of the JAG Program as authorized by Title I of Pub. L. No. 90-351 (generally codified at 34 U.S.C. 10151-10726), including subpart 1 of part E (codified at 34 U.S.C. 10151 10158); see also 28 U.S.C. 530C(a). The Award conditions of this subaward are material requirements of the contract. Compliance with any certified assurance submitted by the Contractor that relates to conduct during the period of performance also is a material requirement of this contract. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (<http://ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm>), and incorporated by reference into the award. By signing and accepting this contract on behalf of the Contractor, the authorized Contractor official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized Contractor official, all assurances or certifications submitted by or on behalf of the Contractor that relate to conduct during the period of performance. Failure to comply with any one or more of these subaward requirements (Award conditions) -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the subaward period -- may result in the Criminal Justice Statistical Analysis Center ("CJSAC") and/or Office of Justice Programs ("OJP") taking appropriate action with respect to the Contractor and the subaward. Among other things, CJSAC or OJP may withhold award

	Document Phase	Document Description	Page 5
2500001025	Draft	LFUCG - JAG	Total Pages: 20

funds, disallow costs, or suspend or terminate the subaward. The U.S. Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate. Any materially false, fictitious, or fraudulent statement to the federal government or CJSAC related to this subaward (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10272), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812). Should any provision of a requirement of this subaward be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give the maximum effect permitted by law. Should it be held, instead, that the provision is invalid or unenforceable; such provision shall be deemed severable from this subaward.

2. The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this contract. For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website: <https://ojp.gov/funding/Part200UniformRequirements.htm>. Record retention and access: The duration records pertinent to the subaward which the Contractor at any tier shall retain is 6 ½ years from the date of submission of the Contractor's final expenditure report. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 6 ½-year period, the records shall be retained until completion of the action and resolution of all issues which arise from it or until the end of the regular 6 ½ year period, whichever is later. During such time, the Contractor shall provide access, including performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334. In the event a subaward-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the Contractor is to contact CJSAC promptly for clarification.
3. **The Contractor at any tier shall comply with the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at (<https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance, and all financial and administrative guidance provided by CJSAC during the period of performance.**
4. Any reference in these terms and conditions to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in the contract terms and conditions, references set out in material incorporated by reference through the contract terms and conditions, and references set out in other contract requirements and documents.
5. A Contractor at any tier that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, shall do so in writing, by explicitly stating this election on the Operating Expenses page and the Budget Narrative page of the JAG Application in Intelligrants 10.0 (IGX). When electing to use the "de minimis" indirect cost rate, the Contractor agrees it is eligible for this rate. In addition, the Contractor shall comply with all associated requirements in Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.
6. If the Contractor at any tier currently has other active awards, subawards, or contracts of federal funds, or if the Contractor receives any other award, subaward, or contract of federal funds during the period of performance for this contract, the Contractor promptly shall determine whether funds from any of those other federal awards, subawards, or contracts have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this contract. If so, the Contractor shall promptly notify the Cabinet in writing of the potential duplication and, if

7. The Contractor at any tier shall comply with applicable requirements regarding identification or registration within the federal System for Award Management (SAM) and maintain the currency of information in SAM. Copy and paste the following URL to get to the SAM site: <http://sam.gov/SAM/>. The Contractor at any tier shall provide a SAM Unique Entity Identifier (UEI) to CJSAC. Contracts shall not be approved or funds reimbursed to programs that have not provided a SAM UEI to CJSAC. The Contractor at any tier shall also comply with applicable restrictions on subcontracts to subcontractors at any tier, including restrictions on subcontracts to entities that do not acquire and provide (to the subcontractor at any tier) the unique entity identifier assigned by SAM.
 8. The Contractor at any tier shall verify employment eligibility before hiring under this contract. The Contractor shall:
 - a. Ensure that, as part of the hiring process for any position that is or will be funded (in whole or in part) with JAG funds, the Contractor properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).
 - b. Notify all persons associated with the Contractor who are or will be involved in activities under this award of both—
 - i. This award requirement for verification of employment eligibility, and

 - c. Monitoring – The Justice and Public Safety Cabinet, Office of Financial Management Services, is responsible for monitoring Contractor compliance with this contract condition and the Contractor shall allow access to any and all documentation, records, or material necessary to complete monitoring

 - e. Rules of construction
 - i. Staff involved in the hiring process - For purposes of this condition, persons “who are or will be involved in activities under this award” specifically include (without limitation) any and all Contractor officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.
 - ii. Employment eligibility confirmation with E-Verify - For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the Contractor may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the Contractor uses E-Verify and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation" to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

 - v.Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any Contractor at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2). Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. - 10. The Contractor at any tier shall comply with all applicable requirements for authorization of any subaward of funds awarded under this contract. This condition applies to agreements that -- for purposes or federal grants administrative requirements - OJP considers a "subaward" (and therefore does not consider a procurement "contract"). The details of the requirement for authorization of any contract are posted on the OJP web site at <https://ojp.gov/funding/Explore/ContractAuthorization.htm> (Award condition: All contracts ("subgrants") must have specific federal authorization), and are incorporated by reference here.

The details of the requirements for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> on the OJP web site. (Award Condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here. Notify CJSAC if there are any procurement contracts that are expected to exceed \$250,000. Advance approval shall be obtained by CJSAC from OJP.
- 12. The details of the Contractor obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm>. - 13. Determination of suitability required, in advance, for certain individuals who may interact with participating minors. This condition applies to this contract if it is indicated in the contract that a purpose of some or all of the activities to be carried out under the contract is to benefit a set of individuals under 18 years of age. 14. The Contractor at any tier shall comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval, and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as the term is defined by DOJ), including the provision of food and/or beverages at such conferences. Information on the pertinent DOJ definition of conferences and the rules applicable to this contract appears in the DOJ Grants Financial Guide.
15. The Contractor shall collect and maintain data that measures the performance and effectiveness of work under the contract. The data shall be provided to CJSAC in a manner (including within the timeframes) specified by CJSAC. The Contractor shall also inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712. Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this contract, the Contractor is to contact CJSAC for guidance.
21. In general, as a matter of federal law, this contract may not be used, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law. official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, contract "subgrant", subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations. The Contractor may not proceed without the express prior written approval of CJSAC.

22. The Contractor at any tier shall comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act associated with the federal award from which this subaward is made, which are incorporated by reference here. Should a question arise as to whether a particular use of federal funds would or might fall within the scope of an appropriations-law restriction, the recipient is to contact CJSAC for guidance, and may not proceed without the express prior written approval of CJSAC.
23. The Contractor at any tier must refer to CJSAC, and the Department of Justice (DOJ), Office of the Inspector General (OIG), within five (5) days of identifying any credible evidence that a principal, employee, agent, contractor, subcontractor, or other person has, in connection with funds under this contract - 1) submitted a claim that violates the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct. Potential fraud, waste, abuse, or misconduct involving or relating to funds under this contract should be reported to CJSAC through the Justice Listens contact page accessible at <https://justice.ky.gov/About/justicelistens/Pages/contactjl.aspx>, and to OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax). Additional information is available from the DOJ/OIG website at <https://oig.justice.gov/hotline>.
24. No Contractor at any tier under this contract, or entity that receives a procurement contract or subcontract with any funds under this contract, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information. The foregoing is not intended, and shall not be understood by DOJ or CJSAC, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmental information), or any other form issued by a federal department or agency governing nondisclosure of classified information.
 - a. In accepting this award, the Contractor--
 - i. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it shall immediately stop any further obligations of federal contract funds, shall provide prompt written notification to CJSAC and BJA, and shall resume (or permit resumption of) such obligations only if expressly authorized to do so by CJSAC and BJA.
