Subject: Sole Source Purchase Sludge Pump Replacement Parts at Town Branch WWTP

---

Request

The purpose of this memorandum is to request approval to purchase Boerger Sludge Pump replacement parts for the Town Branch WWTP from Straeffler Pump & Supply, Inc.

Purpose of Request

The replacement parts being requested are for the 520 model & 320 model Boerger Sludge Pumps, which are located in the Primary Digester, Secondary Digester & Solids Process Buildings at Town Branch WWTP. The existing parts have become worn and the components are in need of replacement/repair.

Replace/Repair Cost in FY19

The quote from Straeffler Pump & Supply, Inc. for new Boerger parts, is \$19,657.47. Incidental shipping and handling charges will be calculated separately.

Are Fund Budgeted

Funds are budgeted in: 4002 – 303402 – 0001 - 91017

Martin/Albright
