

MEMORANDUM

TO: Mayor Jim Gray
Urban County Council

FROM: 
John Howard, Deputy Director
Division of Waste Management

DATE: February 21, 2018

SUBJECT: Sole Source Purchase Request for RouteWare, INC. to purchase new hardware, software, professional services, data plans and/or maintenance support on behalf of the LFUCG Division of Waste Management and RouteWare, Inc.

Request: The purpose of this memorandum is to request approval to enter into an agreement with RouteWare Inc. to purchase new hardware, software, professional services, data plans and maintenance support for the Waste Management Routing Project. These items will be used to improve and upgrade to new technology for the Waste Management heavy and light duty fleet vehicles. RouteWare Inc. was one of the vendors originally selected for the Routing project to provide this service for LFUCG-Waste Management.

Authorization to: Approve sole source with RouteWare Inc. for hardware devices to go along with current resolution for the RouteWare software platform.

Why are you requesting? RouteWare Inc. is the sole supplier of supported hardware devices for the RouteWare Software platform. The hardware, software, professional services, and data plans are used in combination with the routing control software to determine current route status, location of trucks and customer service levels. The hardware and software works in conjunction to provide route management for Waste Management.
