5. To expend all grant monies by May 31, 2022.
6. To expend funds under this Agreement only on expenses related to preventing, preparing for, and responding to the coronavirus.

ARTICLE III

Program Requirements

1. The parties agree that for the purposes of this Agreement, the word "homeless" shall mean:

(1) An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning: (i) An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground; (ii) An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); or (iii) An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution;

(2) An individual or family who will imminently lose their primary nighttime residence, provided that: (i) The primary nighttime residence will be lost within 14 days of the date of application for homeless assistance; (ii) No subsequent residence has been identified; and (iii) The individual or family lacks the resources or support networks, *e.g.*, family, friends, faith-based or other social networks, needed to obtain other permanent housing;

(3) Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who: (i) Are defined as homeless under section 387 of the Runaway and Homeless Youth Act (42

U.S.C. § 5732a), section 637 of the Head Start Act (42 U.S.C. § 9832), section 41403 of the Violence Against Women Act of 1994 (42 U.S.C. § 14043e-2), section 330(h) of the Public Health Service Act (42 U.S.C. § 254b(h)), section 3 of the Food and Nutrition Act of 2008 (7 U.S.C. § 2012), section 17(b) of the Child Nutrition Act of 1966 (42 U.S.C. § 1786(b)) or section 725 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11434a); (ii) Have not had a lease, ownership interest, or occupancy agreement in permanent housing at any time during the 60 days immediately preceding the date of application for homeless assistance; (iii) Have experienced persistent instability as measured by two moves or more during the 60-day period immediately preceding the date of applying for homeless assistance; and (iv) Can be expected to continue in such status for an extended period of time because of chronic disabilities, chronic physical health or mental health conditions, substance addiction, histories of domestic violence or childhood abuse (including neglect), the presence of a child or youth with a disability, or two or more barriers to employment, which include the lack of a high school degree or General Education Development (GED), illiteracy, low English proficiency, a history of incarceration or detention for criminal activity, and a history of unstable employment; or

(4) Any individual or family who: (i) Is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a child, that has either taken place within the individual's or family's primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence; (ii) Has no other residence; and (iii) Lacks the resources or support networks, *e.g.*, family, friends, faith-based or other social networks, to obtain other permanent housing.

2. Grant monies will be used solely for costs of providing essential services necessary to reach out to unsheltered homeless people; connect them with emergency shelter, housing, or critical services; and provide urgent, nonfacility-based care to people who are unwilling or unable to access emergency shelter, housing, or an appropriate health facility. Eligible costs consist of engagement, case management, emergency health services, emergency mental health services, transportation, and services for specific populations all as defined at 24 CFR 576.101. All expenses under this agreement must be related to preventing, preparing for, and responding to the coronavirus.

3. The Subrecipient must maintain and follow written intake procedures to ensure compliance with the homeless definition as provided in this Agreement. The procedures must require documentation at intake of the evidence relied upon to establish and verify homeless status. The procedures must establish the order of priority for obtaining evidence, which shall be: third-party documentation first; intake worker observations second; and, certification from the person seeking assistance third. However, lack of third-party documentation must not prevent an individual or family from being immediately admitted to emergency shelter, receiving street outreach services, or being immediately admitted to shelter or receiving services provided by a victim service provider. Records contained in an HMIS or comparable database used by victim service or legal service providers are acceptable evidence of third-party documentation and intake worker observations if the HMIS retains an auditable history of all entries, including the person who entered the data, the date of entry, and the change made; and if the HMIS prevents overrides or changes of the dates on which entries are made. Subrecipient agrees to

fully comply with 24 CFR 576.500 in the documentation of client eligibility for emergency shelter services. For each individual and family determined ineligible to receive Emergency Solutions Grant (ESG) assistance, the record must include documentation of the reason for that determination.

4. Subrecipient shall submit monthly invoices to the Government showing expenses incurred. Invoices shall include copies of employee timesheets, payroll registers, and copies of invoices for goods and services for which reimbursement is requested. Monthly invoices shall include monthly program reports of persons served. Subrecipient shall submit documentation for employee fringe benefits for which reimbursement is requested. Monthly invoices shall also include Subrecipient's documentation and source of matching funds. The Subrecipient shall provide cost analysis for all expenses. Invoices shall indicate how expenses were used to prevent, prepare for, and respond to the coronavirus.

5. Subrecipient shall submit to the Government, for each month during which these grant funds are used, a monthly report describing the clients served during the month. This report shall include data concerning the unduplicated number of persons, age, sex, race, ethnicity, national origin, veteran status, disability, and family status of individuals served during the month. Monthly reports shall also include information on the number of persons served by facility type and the number of persons who exit to permanent housing. Data shall be aggregate statistics rather than individual level, and shall be in the form prescribed by the Government. Monthly reports shall be submitted no later than 30 days following the end of each month.

6. Subrecipient shall submit to the Government an annual report describing the clients served during the year. This report shall include data concerning the unduplicated number of persons, age, sex, race, ethnicity, national origin, veteran status, disability, and family status of individuals served during the year. Annual reports shall also include information on the unduplicated number of homeless persons served by facility type and the number of persons who exit to permanent housing. Data shall be aggregate statistics rather than individual level, and shall be in the form prescribed by the Government. Annual reports shall be submitted no later than 30 days following the end of each year.

7. Subrecipient shall provide other performance metrics as may be required by HUD and by the Kentucky Homeless Management Information System. This includes any additional reporting which may be required for compliance with the CARES Act.

8. Subrecipient shall submit to the Government a report on the age, race, sex, and disability status of the Subrecipient's employees. This report shall be submitted to the Government no later than July 30 of each year in which these federal funds are expended by the Subrecipient.

9. The Subrecipient shall comply with the requirements of 24 CFR 576.402 which provides for the termination of assistance to individuals who violate program requirements. This section requires that termination of assistance must be in accordance with a formal process established by the Subrecipient that recognizes the rights of individuals affected. The Subrecipient must exercise judgment and examine all extenuating circumstances in determining when violations warrant termination so that a program participant's assistance is terminated only in the

most severe cases. Subrecipient shall provide the Government with a written copy of the process it will use for termination.

10. The provision of any type or amount of ESG assistance may not be conditioned on an individual's or family's acceptance or occupancy of emergency shelter or housing owned by the Government or the Subrecipient, or a parent or subsidiary of the Subrecipient. No Subrecipient may, with respect to individuals or families occupying housing owned by the Subrecipient, or any parent or subsidiary of the Subrecipient, carry out the initial evaluation required under § 576.401 or administer homelessness prevention assistance under § 576.103. For the procurement of goods and services, the Subrecipient must comply with the codes of conduct and conflict of interest requirements under 2 CFR 200.318 (for private nonprofit organizations). For all other transactions and activities, the following restrictions apply: (1) No person described in paragraph (b)(2) of this section who exercises or has exercised any functions or responsibilities with respect to activities assisted under the ESG program, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under the program, may obtain a financial interest or benefit from an assisted activity; have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity; or have a financial interest in the proceeds derived from an assisted activity, either for him or herself or for those with whom he or she has family or business ties, during his or her tenure or during the one-year period following his or her tenure.

11. Organizations that are directly funded under the ESG program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization as part of the programs or services funded under ESG. If an organization conducts these activities, the activities must be offered separately, in time or location, from the programs or services funded under ESG, and participation must be voluntary for program participants. Any religious organization that receives ESG funds retains its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that the religious organization does not use direct ESG funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide ESG-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, an ESG-funded religious organization retains its authority over its internal governance, and the organization may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents. An organization that receives ESG funds shall not, in providing ESG assistance, discriminate against a program participant or prospective program participant on the basis of religion or religious belief.

12. To the maximum extent practicable, the Subrecipient must involve homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under ESG, in providing services assisted under ESG, and in providing services for occupants of facilities assisted under ESG. This involvement may include employment or volunteer services.

13. The Subrecipient must ensure that data on all persons served and all activities assisted under ESG are entered into the applicable community-wide HMIS (homeless management information system) in accordance with HUD standards.

14. The Subrecipient must coordinate and integrate, to the maximum extent practicable, with other programs targeted to homeless people in the area covered by the Lexington Continuum of Care (hereinafter “Continuum of Care”), which provides a strategic, community-wide system to prevent and end homelessness for the area. The Subrecipient must contact the Continuum of Care Coordinator with the Office of Homelessness Prevention and Intervention to ensure program participation in the Lexington Continuum of Care’s Coordinated Entry system. All program participants enrolled by the Subrecipient must come from the Coordinated Entry process ensuring that the screening, assessment and referral of program participants are consistent with the Lexington Continuum of Care’s written Coordinated Entry standards. A victim service provider must use the Continuum of Care’s centralized or coordinated assessment system and may not opt out of using this system.

15. The Subrecipient must coordinate and integrate, to the maximum extent practicable, ESG-funded activities with other programs targeted to homeless people in the area covered by the Continuum of Care, or in the area over which the services are coordinated to provide a strategic, community-wide system to prevent and end homelessness for that area. These programs include: (1) Shelter Plus Care Program (24 CFR part 582); (2) Supportive Housing Program (24 CFR part 583); (3) Section 8 Moderate Rehabilitation Program for Single Room Occupancy Program for Homeless Individuals (24 CFR part 882); (4) HUD—Veterans Affairs Supportive Housing (HUD—VASH) (division K, title II, Consolidated Appropriations Act, 2008, Pub. L. 110–161 (2007), 73 FR 25026 (May 6, 2008)); (5) Education for Homeless Children and Youth Grants for State and Local Activities (title VII–B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 *et seq.*)); (6) Grants for the Benefit of Homeless Individuals (section 506 of the Public Health Services Act (42 U.S.C. 290aa–5)); (7) Healthcare for the Homeless (42 CFR part 51c); (8) Programs for Runaway and Homeless Youth (Runaway and Homeless Youth Act (42 U.S.C. 5701 *et seq.*)); (9) Projects for Assistance in Transition from Homelessness (part C of title V of the Public Health Service Act (42 U.S.C. 290cc–21 *et seq.*)); (10) Services in Supportive Housing Grants (section 520A of the Public Health Service Act); (11) Emergency Food and Shelter Program (title III of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11331 *et seq.*)); (12) Transitional Housing Assistance Grants for Victims of Sexual Assault, Domestic Violence, Dating Violence, and Stalking Program (section 40299 of the Violent Crime Control and Law Enforcement Act (42 U.S.C. 13975)); (13) Homeless Veterans Reintegration Program (section 5(a)(1)) of the Homeless Veterans Comprehensive Assistance Act (38 U.S.C. 2021); (14) Domiciliary Care for Homeless Veterans Program (38 U.S.C. 2043); (15) VA Homeless Providers Grant and Per Diem Program (38 CFR part 61); (16) Health Care for Homeless Veterans Program (38 U.S.C. 2031); (17) Homeless Veterans Dental Program (38 U.S.C. 2062); (18) Supportive Services for Veteran Families Program (38 CFR part 62); and (19) Veteran Justice Outreach Initiative (38 U.S.C. 2031).

16. The Subrecipient must coordinate and integrate, to the maximum extent practicable, ESG-funded activities with mainstream housing, health, social services, employment, education, and youth programs for which families and individuals at risk of homelessness and homeless individuals and families may be eligible.

17. The Subrecipient agrees to ensure that no Duplication of Benefits, as defined by Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. § 5155) and in accordance with Section 1210 of the Disaster Recovery Reform Act of 2018 (division D of Public Law 115–254; 132 Stat. 3442), which amended section 312 of the Robert

T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. § 5155), occurs as a result of assistance provided under this Agreement. The Subrecipient also agrees to create and retain records documenting how it prevented a Duplication of Benefits.

18. The Subrecipient further understands and agrees to follow any and all requirements that apply to the receipt of ESG-CV funds in accordance with the Coronavirus Aid, Relief and Economic Security Act (CARES Act) (Pub. L. 116-136), including but not limited to the requirements identified in **Attachment A** to this Agreement, the terms of which are incorporated as if fully stated herein.

ARTICLE IV

Additional Requirements

1. The Subrecipient must maintain current accurate records necessary to document compliance with the grant requirements for a period of five (5) years following final expenditure of grant funds. These records shall include, but not be limited to: receipts, payroll, demographic data on clientele, and other relevant records. The Government will have access to and the right to inspect, copy, audit and examine all such records.

2. The Subrecipient will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, national origin or handicap. The Subrecipient shall state in all solicitations or advertisements for employees that all qualified applicants will receive equal consideration for employment without regard to race, color, religion, sex, age, national origin or handicap.

3. The Subrecipient shall comply with the requirements of Title VI of the Civil Rights Act of 1964 as amended; Title VIII of the Civil Rights Act of 1968, 42 U.S.C. §§ 3601 through 3619, and all implementing regulations and executive orders; shall comply with the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-6107); and the prohibitions against discrimination against handicapped individuals under Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794).

Neither Grantee nor any of its agents will inquire about the sexual orientation or gender identity of any applicant for or person receiving HUD-assisted housing or other services.

5. The Suprecipient understands that Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. § 1701u, and implementing regulations at 24 CFR part 135 shall apply, except that homeless individuals shall have priority over other Section 3 residents in accordance with 24 CFR 576.405(c).

10. The Subrecipient must publicize that use of the facilities, assistance, and services are available to all on a nondiscriminatory basis. The Subrecipient must take appropriate steps to ensure effective communication with persons with disabilities including, but not limited to, adopting procedures that will make available to interested persons information concerning the location of assistance, services, and facilities that are accessible to persons with disabilities.
