**TO:** Mayor Jim Gray and Urban County Council  
**FROM:** David S Lucas, Director of Enhanced 9-1-1  
**RE:** Sole Source procurement with Windstream Communications  
**VIA:** Clay Mason, Commissioner of Public Safety

This request will authorize the mayor to enter an agreement with Windstream, to provide network services to the LFUCG related to the Public Safety Radio System. The agreement includes the design, implementation and ongoing maintenance and service for the Public Safety Radio Network which connects the designated radio antenna sites as defined by LFUCG and Cassidian; LFUCG's selected vendor for the radio system.

Sole source designation is warranted due to the complexity of the system design, geographic diversity of the sites and the required timely service requirements that insure continual operation of the radio system.

The total cost per month is a maximum of \$19,000 plus a one time \$95,000 implementation fee. All funds are budgeted within the Division of Enhanced 911 for the current and next fiscal years.

The following documents are attached:

1. Administrative review form. (Blue sheet)
2. Windstream service agreement.
3. Sole Source Procurement Certification

Please return completed documents to my attention for final disposition.
