SUBJECT: Bid 59-2021 Torres Lighting Equipment

Bids for Torres Lighting Equipment for the Division of Traffic Engineering were received in the Division of Central Purchasing on July 9, 2021.

Ionwave notified six hundred and fifty four (654) vendors with ten (10) vendors viewing the document. Two (2) bids were received. Supreme Lighting Design was the low bidder but could not supply all items and the pricing appeared inaccurate.

The Graybar Electric Company, Inc. meets the bid specifications and is within budgetary constraints; therefore, I recommend Graybar Electric.
