Environmental Quality and Public Works

DATE: May 15, 2019

SUBJECT: Building Permit Fee Schedules

Request

Authorization to amend Section 5-29 of the Code of Ordinances related to building permit fee schedules.

Why are you requesting?

This action is needed to adjust the current fee schedules to more accurately reflect the cost of providing service and meet revenue expectations in FY20.

What is the cost in this budget year and future budget years?

There is no cost associated with this request for FY19 or future budget years. Estimated additional revenue for FY20 is \$400,000.00

Are the funds budgeted?

Estimated additional revenue has been included in the FY20 proposed budget.

Director/Commissioner: Crowe/Hamilton
