SUBJECT: Acquisition of Easements for Right-of-Way for Citation Trail Phase 2 Project

Request: Council authorization to purchase temporary construction easements, totaling \$31,400 for the right of way phase of the Citation Trail Phase 2 Project.

Purpose of the Request: Concurrent with this request, approval to accept a Memorandum of Agreement with the Kentucky Transportation Cabinet for the right of way phase funding is being presented to Council.

The project requires acquisition of twelve temporary construction easements along Michelle Park. These easements are necessary for execution of the project, which will construct a 10' wide shared use path that completes a portion of the connection from Masterson Hills Park to the Town Branch Trail. The path is 1000 feet in length and connects the Great Acres Development and Masterson Station neighborhoods to Masterson Hills Park and the Town Branch Trail.

The cost in this budget year and future budget years: Estimated cost of easement is \$31,400. No additional cost for right-of-way are anticipated.

Are the funds budgeted? Yes, budget amendment is in process.
