LEXINGTON RESCUE MISSION – TRANSPORTATION PROGRAM GUIDELINES

MISSION

Lexington Rescue Mission (LRM) sponsors a transportation program that provides transportation to other communities for individuals who are experiencing homelessness in Fayette County and who have requested such assistance. Since 2006, LRM has provided bus tickets for homeless individuals trying to get home or into a program that would address underlying factors in their homelessness. LRM's overall goal is to end homelessness for qualifying individuals.

ELIGIBILITY

In order to be eligible for the program, the individual must:

- Be experiencing homelessness in Fayette County;
- Have no income;
- Have verifiable housing at the desired location; and
- Be willing to leave Fayette County on the same day.

PROCESS

All referrals must be client-initiated. LRM will accept referrals from community agencies that believe the Transportation Program is suited for an individual. Any exceptions will be made solely at the discretion of the Director of Outreach Services.

LRM staff will independently verify that all above-mentioned criteria has been met for all referred clients prior to the purchase of a ticket.
