Commander Jones,

Please see the information below and attached regarding the transfer of Lexington Police Department retired canines. Commander Maynard and Mr. Sanner, with the Law Department, have developed a release form to be utilized when transferring retired canines from the Police Department. I am requesting the Chief review and if acceptable approve the transfer of the referenced canines utilizing the new release form.

If approval is granted, it is requested Officer James Burnette and Retired Officer Darrell Jones complete the release form, and the requests, are forwarded to Council for final approval.

Thank you for your consideration of this request,

***Lawrence Weathers, Assistant Chief
Lexington Police Department
Bureau of Special Operations
Desk: (859) 425 - 2361***

A/C Weathers,

Upon your approval, please forward the attached "Retired Police Canine Release Form" to the Chief's Office for review and approval. I met with Mr. Mike Sanner yesterday regarding this matter and we have agreed that this form should cover the original requests as we discussed and outlined in my previous emails regarding this matter. This form has the support from Mike Sanner and once approved from the Chief's Office I will request Officer James Burnette and Retired Officer Darrell Jones to complete these forms so that the formal request can be presented to Council for final approval.

I respectfully request an expedited process on the approval of this form due to the fact that Canine Daro has stopped eating normally and will only respond when Retired Officer Darrell Jones stops by to check on him. I would like to have this packet completed and presented to council as soon as possible so that we can move forward with releasing the canines to their handlers for not only the health of the animals themselves, but to also allow room for the new canines that will be picked up at the end of the month.

Thanks,

4/22/2015
