Tim,

We are going to have additional funds available under DR4428 and should be able to submit this proposal for funding consideration. Please complete the attached application and return to me by **February 3rd** along with address, lat/longs, photos, and maps.

Thank you,

Esther

Tim,

I regret to inform you the application for a generator initiative was not selected by the Kentucky Hazard Mitigation Council to go forward for the application process for Disaster 4428. Please find attached the official letter.

We appreciate you applying and look forward to working with you in the future. If you have any questions regarding this email please feel free to contact me.

Thank you,

Esther White, MPA
