SUBJECT: Schedule for 2020 Urban Services Changes

---

**Request**

The Department of Environmental Quality & Public Works requests approval of the attached schedule for the 2020 Urban Service Legal Process.

Department needs this action completed because:

Before properties are developed within the Fayette County urban service boundary, they are generally taxed solely for Police and Fire protection (Tax District 02 - General Services). However, once a property is recorded, divided and platted for new development, the new properties are moved to the appropriate tax district for other provided services. For example, properties on public streets are placed in the full service (01) tax district that provides refuse collection, streetlights, and street sweeping. Private streets are placed within the 03 tax district, which only includes refuse collection given that property owners maintain their own streets and provide their own streetlights if desired.

Kentucky Law requires that the Urban County Government notify each property owner by certified mail of a proposed increase in property tax and hold a public hearing. Per the attached schedule, the public hearing will be held at 3:00 p.m. on Tuesday, November 10, 2020 during Council Work Session.
