RE: Request authorization of easement acquisition at 345 Bob O Link Dr

---

This memorandum is to request the Urban County Council's authorization of a resolution to acquire an easement at 345 Bob O Link Drive. The easement will allow for the construction of a concrete drive to provide turning access among Waste Management refuse vehicles at the end of Bob O Link Drive. Enclosures for your consideration include the property descriptions for easement acquisition and a map of the property location. Should you have any questions regarding this request please feel free to contact me at 258-3400.
