DIRECTOR
CENTRAL PURCHASING

TO: Jim Gray, Mayor
FROM: 
Todd Slatin, Director
Division of Central Purchasing
DATE: December 21, 2018
SUBJECT: Bid 166-2018 Speed Monitoring Radar Trailer

Bids for Speed Monitoring Radar Trailer for the Division of Police were received in the Division of Central Purchasing on December 18, 2018.

Ionwave notified one hundred (193) vendors with four (4) vendors viewing the document. Four (4) bids were received. The bid received from Traffic Logix Corporation was the low bid but did not meet the specifications. Traffic Logix proposed a 18FM/Cruiser LT with a 2 year warranty. We requested a SMART 850+ Bundle with a 5 year warranty. Also, Traffic Logix does not meet the NHTSA (National Highway Traffic Safety Administration) specifications required.

The bid from Kustom Signals, Inc. meet the bid specifications and are within budgetary constraints; therefore, I recommend Kustom Signals, Inc.
