NUMBER

TO: Lieutenant Jeremy Brislin Bureau of Special Operations	SUBJECT: Canine Bodhi Retirement Memorandum
FROM: Sergeant Robert Fraser Bureau of Special Operations - K9 Unit	

Lieutenant Brislin,

I am requesting retirement of Canine Bodhi (Inventory Tag No. 103257) due to diminished drive and workability caused by age and having multiple handlers over the years rendering him unable to work his assignment anymore. Detective Kelly Shortridge is requesting him to reside with him and his family and has filled out the Release of Claims documentation needed for this.

Thank you for consideration,

Sergeant Robert Fraser 46603
