

EMERGENT[®]

November 5, 2025

To whom it may concern

Per your request, please see information below on pricing for NARCAN[®] Nasal Spray 4 mg/.1mL

Lexington Fayette Urban County Government qualifies to purchase NARCAN[®] Nasal Spray at Emergent Device's public interest pricing of \$33.00 per carton. Each carton contains two 4 mg devices. The minimum order is 1 case (12 cartons) which is \$396.00.

There is no shipping fee, as shipping is provided free of charge. You will not be charged sales tax, as you are verified as sales tax exempt.

If you were to purchase 1 cases (12 cartons), the subtotal would be \$396.00.

Please reference the Terms & Conditions (or your contract details) for additional information.

Sincerely,

Kellie Meade
