FOR: Jim Gray, Mayor  
FROM: Todd Slatin, Acting Director  
Division of Central Purchasing   
DATE: July 31, 2012  
SUBJECT: Bid #99-2012 – Soft Body Armor

Bids were received in the Division of Central Purchasing on July 19, 2012 to establish a price contract for Soft Body Armor.

Economic Engine notified one hundred and forty (140) vendors with thirty-three (33) vendors viewing the document. Four (4) bids were received.

Kentucky Uniforms submitted the lowest bid, however, they bid items having an aerial density of .81 per square foot for the men's vest and .86 per square foot for the women's vest. These weights do not meet stated specifications requiring a maximum aerial density of .77 per square foot per vest. Kiesler Police Supply, Inc. submitted the second lowest bid.

The bid from Kiesler Police Supply, Inc. meets bid specifications and is within budgetary constraints; therefore, I recommend the bid submitted by Kiesler Police Supply, Inc. be accepted to establish this price contract.
