Subject: Notification of HOPWA Renewal Grant Agreement

Dear Ms. Reynolds:

I am pleased to provide you with the Housing Opportunities for Persons With AIDS (HOPWA) program Renewal Grant Agreement. As you know, your application was selected for funding under the Fiscal Year 2023 renewal process to undertake housing activities in your community over the next three-year period. Enclosed is the HOPWA Renewal Grant Agreement. Your renewal operating period will begin on the day Lexington signs the enclosed grant agreement. Sign the grant agreement and return an electronic copy to this office.

These funds must also be fully expended within three years following the date the grant agreement is executed upon signature. If justified, you may request an extension from HUD during this period, of up to one year from the grant expiration date.

This office is available to provide assistance regarding the administration of this grant, as may be needed. In addition, this office may also conduct a start-up conference for any new or less experienced staff, in order to provide more specific information or advice on the administration of your grant. If you have any questions, please contact Danielle Story, Community Planning and Development Representative at the Louisville Field Office via email at danielle.m.story@hud.gov or 502-618-8122. I look forward to working with you on the successful implementation of this grant. Please let me know if I can be of further assistance.

Sincerely yours,
