SUBJECT: Reorganization – Division of Grants and Special Programs and Department of Planning, Preservation and Development

The attached is requesting authorization to transfer the Division of Grants and Special Programs and its incumbents from the Office of Chief Administrative Officer to the Department of Planning, Preservation and Development, effective upon passage by Council.

The request for this action is because the work of the Division of Grants and Special Programs more closely aligns with the divisions within the Department of Planning, Preservation and Development due to their expertise and experience with grant compliance, housing and federal funding programs.

The fiscal impact for FY2015 will be budget neutral.
