This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

Kentucky Equal Employment Opportunity Act

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. AMERICAN RESCUE PLAN ACT

AMENDMENT 1 — CERTIFICATION OF COMPLIANCE FOR EXPENDITURES USING FEDERAL FUNDS, INCLUDING THE AMERICAN RESCUE PLAN ACT

The Lexington-Fayette Urban County Government (“LFUCG”) may use Federal funding to pay for the goods and/or services that are the subject matter of this bid. That Federal funding may include funds received by LFUCG under the American Rescue Plan Act of 2021. Expenditures using Federal funds require evidence of the contractor’s compliance with Federal law. Therefore, by the signature below of an authorized company representative, you certify that the information below is understood, agreed, and correct. Any misrepresentations may result in the termination of the contract and/or prosecution under applicable Federal and State laws concerning false statements and false claims.

The bidder (hereafter “bidder,” or “contractor”) agrees and understands that in addition to all conditions stated within the attached bid documents, the following conditions will also apply to any Agreement entered between bidder and LFUCG, if LFUCG uses Federal funds, including but not limited to funding received by LFUCG under the American Rescue Plan Act (“ARPA”), toward payment of goods and/or services referenced in this bid. The bidder also agrees and understands that if there is a conflict between the terms included elsewhere in this Request for Proposal and the terms of this Amendment 1, then the terms of Amendment 1 shall control. The bidder further certifies that it can and will comply with these conditions, if this bid is accepted and an Agreement is executed:

1. Any Agreement executed as a result of acceptance of this bid may be governed in accordance with 2 CFR Part 200 and all other applicable Federal law and regulations and guidance issued by the U.S. Department of the Treasury.
2. Pursuant to 24 CFR § 85.43, any Agreement executed as a result of acceptance of this bid can be terminated if the contractor fails to comply with any term of the award. This Agreement may be terminated for convenience in accordance with 24 CFR § 85.44 upon written notice by LFUCG. Either party may terminate this Agreement with thirty (30) days written notice to the other party, in which case the Agreement shall terminate on the thirtieth day. In the event of termination, the contractor shall be entitled to that portion of total compensation due under this Agreement as the services rendered bears to the services required. However, if LFUCG suspects a breach of the terms of the Agreement and/or that the contractor is violating the terms of any applicable law governing the use of Federal funds, LFUCG may suspend the contractor’s ability to receive payment by giving thirty (30) days’ advance written notice. Further, either party may terminate this Agreement for cause shown with thirty (30) days written notice, which shall explain the party’s cause for the termination. If the parties do not reach a settlement before the end of the 30 days, then the Agreement shall terminate on the thirtieth day. In the event of a breach, LFUCG reserves the right to pursue any and all applicable legal, equitable, and/or administrative remedies against the contractor.
3. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
 - (1) Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and

applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part, and the contractor may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Provided, however, that in the event a contractor becomes involved in or is threatened with litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

- (3) *Withholding for unpaid wages and liquidated damages.* LFUCG shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

EQUAL OPPORTUNITY AGREEMENT

Standard Title VI Assurance

The Lexington Fayette-Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the Regulations.

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

Background

In 2013, the Mayor's Commission on Homeless issued a report containing recommendations for reducing and preventing homelessness in Lexington. Among those recommendations was the development of a street outreach program to assertively engage persons experiencing unsheltered homelessness facilitating access to housing and other resources. Since that time, two versions of street outreach have been implemented.

In 2015, the Office of Homelessness Prevention and Intervention (OHPI) funded an initial street outreach pilot program. This project targeted persons experience unsheltered homelessness and focused on making "contacts" with as many persons as possible to offer direct connections to housing and other assistance.

In 2018, the OHPI identified the need to restructure this model, adding ongoing intensive case management in addition to "contacts". This outreach team was designed to carry a caseload of active clients as well as making continued contacts to individuals not engaged in services, including those previously refusing services and those new to Lexington's homeless response system.

The OHPI continues to see a need for expanded outreach efforts to individuals experiencing unsheltered homelessness. As of the 2023 Point-in-Time Count, 38 individuals were found to be unsheltered on a single night in January. Approximately 180 additional individuals were at risk of experiencing unsheltered homelessness, being sheltered with seasonal resources. Additionally, challenges remain in engaging persons who refuse services and/or suffer from significant mental health and substance use disorders.

The Progressive Street Outreach team would: (1) operate flexible staffing to conduct outreach early mornings, business hours, evening and weekends; (2) balance new contacts with an ongoing caseload of individuals receiving intensive, housing-focused case management; (3) include, on staff or through partnership, a licensed clinician with the ability to evaluate individuals in the field and facilitate access to mental healthcare and/or substance use treatment.

This team would work in coordination with LFUCG Community Paramedicine, other outreach teams, drop-in/outreach centers, and other providers without duplication of efforts. Teams should be designed and implemented with an ability to: complete 202A petitions, make referral to/work active Adult Protective Services and Guardianship cases, coordinate efforts for Casey's Law and Tim's Law cases, engage individuals residing in encampments, facilitate relocation efforts and provide storage of personal belongings, complete SOAR applications for those unsheltered, and facilitate other supportive services needed to obtain permanent housing.

Eligibility

Eligible proposers are public organizations and private non-profit organizations with 501c3 status and collaborations of such organizations so long as the proposer or at least one member of the collaboration has demonstrated track record of serving people experiencing homelessness or at risk of homelessness including operation of programming with measurable outcomes and proven success.

Instructions

Please submit all required narrative and attachments no later than the deadline indicated below:

1.0 General Provisions

1.1 Purpose

The LFUCG is accepting proposals from qualified non-governmental, non-profit organizations with current 501(c)(3) tax exempt status and with a physical business or program site location in Fayette County (hereinafter referred to as “Proposer”) for onetime homelessness prevention and intervention funding. This funding is reserved for new, innovative, and sustainable programming and may not be used for general agency operations, other than overhead required to support the subject program. This request for proposals is specifically to solicit projects that implement a progressive street outreach program for people experiencing homelessness in Lexington-Fayette County.

By responding to this RFP proposers agree to collaborate fully with LFUCG and/or its designee to collect all necessary data and provide reports needed to evaluate effectiveness of the project. Meticulous data must be maintained and provided on participant outcomes and the proposer must agree to collect all applicable data required by LFUCG. This is necessary to determine return on investment and to effectively evaluate the appropriateness of future funding by LFUCG or any other entity. Proposers also agree to provide financial information about project operations including, but not limited to, such items as staff time allocations, dollar value of leveraged services, etc. Any anticipated costs associated with data collection and evaluation should be included in the proposal to the extent possible.

1.2 Funding Period

The funding period is for one year to begin on or about September 1, 2023 with a possible continuation funding for up to two (2) additional years based on performance and outcomes. The intent of this allocation is to provide funding for startup and operations. LFUCG will conduct ongoing evaluation of the project to determine effectiveness including whether adjustments may be needed for the model in order to maximize outcomes and return on investment.

LFUCG intends to award only one (1) project with an annual budget not to exceed \$300,000 in LFUCG funds, unless otherwise agreed upon between the LFUCG and the selected applicant, but reserves the right to make multiple awards of varying amounts.

1.3 Proposal Submission

The proposal must contain the required documents and respond to each of the required narrative questions to be complete. A complete proposal must also contain a line-item budget for years one through three of the entire project including separate identification of one-time and ongoing costs.

Proposals containing significant omissions of required information will be considered non-responsive and will be removed from the funding process. Significant missing responses to narrative questions constitute an incomplete proposal.

1.4 Acceptance/Rejection of Applications

The LFUCG reserves the right to reject any proposals which may be considered irregular, show serious omission, contain unauthorized alteration of form, or are incomplete.

The LFUCG reserves the right to accept or reject any or all applications in whole or in part, with or without cause, to waive technicalities, to implement scoring penalties, or to accept applications or portions thereof which, in the Urban County Government's judgement, best serve the interests of Urban County Government.

1.5 Requests for Clarification

The LFUCG reserves the right to request clarification of information submitted and to request additional information (to clarify the information submitted) of the applicant either orally or in writing. This may include negotiation of funding amounts, outcomes, and other adjustments prior to the execution of a funding award.

2.0 FUNDING PROCESS

2.1 Timeline

The LFUCG intends to conduct proposal evaluation immediately following the proposal due date and intends to make funding announcements no later than June 2023. This timeline is subject to change without notice.

Successful applicants will be contacted on or about June 5, 2023, to negotiate a funding agreement with expectations that an award be in place for the project to begin operations by July 15, 2023.

No funds may be expended prior to the execution of a funding agreement and grantees will not be reimbursed for pre-award costs.

2.2 Evaluation

Proposals will be evaluated by a neutral panel, the Program Performance & Evaluation Committee of the LFUCG Homelessness Prevention & Intervention Board, all of whom have some expertise in the field of human services but no affiliation with any applicant.

The scoring criteria are outlined in Section 4.0 Evaluation.

2.3 Selection

The highest scoring proposal as determined by the panel will be recommended for funding and contacted to negotiate a funding agreement. Should no agreement be reached, the second highest scoring applicant will be contacted.

2.4 Reporting

The funded project will be required to submit quarterly financial reports. OHPI will pull project reports from the Kentucky Homeless Management Information System (KYHMIS) in order to evaluate progress toward outcomes established in the proposal and associated funding agreement. Report formats will be determined by OHPI as will due dates and submission process.

Failure to submit complete reports on time will delay processing of grant payments and affect the grantee's competitiveness for any future funding opportunities with LFUCG.

3.0 PROPOSAL FORMAT

The Proposer must upload one (1) complete electronic version of their proposal in .PDF format to the LFUCG Ion Wave procurement portal for evaluation purposes. A complete proposal contains each of the following components:

- One Page Cover Sheet containing:
 - Organization or Lead Applicant Name and Authorized Representative
 - Organization or Lead Applicant Address, Phone Number and E-mail
 - Title of proposed project
 - Brief summary of proposed project (250 words or less)
- Project Narrative responding to each of the evaluation criteria described in Section 4.0 and utilizing format described below (15 pages or less)
 - Double spaced
 - Single sided
 - Times New Roman 12-point font with 1-inch margins
 - Page numbers in bottom right corner of complete submission
- Line-item Budget and Budget Narrative (2 pages or less)

4.0 EVALUATION

4.1 Project Design (30 Points)

The project design will evaluate whether and how the project creates new levels of service in Lexington through provision of intensive and assertive street outreach to people experiencing unsheltered homelessness. Applicants should demonstrate an awareness of the needs among Lexington's population of people experiencing homelessness, especially those who are unsheltered. Then the narrative should explain how the proposed project design will address those needs.

How will the project identify people who are unsheltered and experiencing homelessness?
When and how often will direct outreach occur?

Will the project operate drop-in hours? How will the project respond to after-hours calls?

How will the project balance new contacts, outreach to priority locations or hot spots, and ongoing case management supports?

How will continued case management to these individuals be conducted?

What is the project's plan for coordinating with the OHPI?

Explain how the project will work with key stakeholders such as Lexington Police, Code Enforcement, Environmental Services, substance use recovery programs, crisis providers of shelter, Social Security Administration, and a multitude of housing providers.

(NOTE: Team will be responsible for compliance with LFUCG SOP for encampments and all responsibilities thereunto.)

Include a list of members and job duties/responsibilities for any proposed outreach team.

Include the procedure and protocol to transport, inventory, store, and return personal belongings.

Describe in detail how the progressive street outreach team will incorporate industry best practices.

Describe the plan to ensure equitable access to services and service delivery, meeting the needs of various populations.

Safety is especially important and applicants should describe plans to ensure the safety of both staff and participants. Be sure to describe the project's plan for interacting with each of the following subpopulations of people experiencing homelessness:

- Veterans
- Youth Ages 18-24
- Families with Children
- Victims of Intimate Partner Violence
- Victims of Human Trafficking/Sex Trafficking
- People with Severe Mental Illness
- People with Addiction/Substance Use Challenges
- People with HIV/AIDS

4.2 Services and Outcomes (20 Points)

What services will the project provide that aren't currently available?

How will the project provide access to these services in a way that is more progressive and intensive than currently available resources?

How will transportation be available to someone identified on the street who wishes to seek shelter or housing but has no vehicle or bus access?

What services/access to services will the project provide for people experiencing substance abuse and/or mental illness?

How will the project facilitate access to the Housing Triage System and facilitate documentation needs?

How will the project approach data collection and entry to ensure complete, accurate, and timely data is maintained in the KYHMIS? What is the project's plan to review data and outcomes?

Applicants should complete a table providing target numbers and percentages for the prescribed outcomes based on industry standards for street outreach and continued unsheltered engagement as well as intensive case management.

The numbers provided may serve as the basis for evaluating project success on quarterly and annual reports. However, OHPI reserves the right to change outcome targets based on industry standards and current environment.

NOTE: All Outreach Contacts should be unsheltered at time of initial contact. However, OHPI recognizes that some contacts may move to a shelter location post initial contact. The project focus should be primarily on those individuals who sleep outdoors while recognizing some individuals cycle back and forth between street and shelter.

4.3 Sustainability (15 Points)

It is the goal of OHPI is to ensure this project continues to operate as long as it produces successful results. However, funding in the Innovative & Sustainable Solutions to End Homelessness Fund is limited and is largely intended for one-time, startup expenses and not ongoing program operations. Therefore, applicants should provide a detailed sustainability plan for how they will seek and acquire resources to continue operations beyond this grant award.

Plans should include specific public and private funding sources to be pursued and not just a blanket assurance that the applicant will seek funding.

4.4 Organizational Capacity and Experience (20 Points)

Describe the organization's experience with people experiencing homelessness, specifically people who are unsheltered. Identify who will lead that team (provide resume if person is identified or job description if they are to be hired). Also, identify any people and/or organizations who have committed to participate with that team and describe their roles and experience with any particular subpopulation.

If the organization provides any current level of street outreach then describe that service and explain how this project will be an addition/expansion and not just provide funding for existing outreach.

Identify the project director and include a resume/CV. If the project director is to be hired, include a job description in the attachments (if different than team lead described above).

Identify where the project will be housed within the organization's structure and where the project will be housed physically on a daily basis.

Describe the project management plan and provide a timeline for implementation.

Provide a description of the applicant's experience with grants management and financial accountability.

Briefly describe the organization's history, service delivery model and philosophy, and governance structure.

Describe the organization's current participation in KYHMIS and its plan to ensure full participation in KYHMIS for the proposed project. Full KYHMIS participation is required for this project in order to receive funding under this announcement.

4.5 Budget/Budget Narrative (15 Points)

Proposals should include a separate line item budget and budget narrative and will be evaluated based on reasonableness of expenses and overall feasibility. Budgets should reflect all program revenue and expenses for each year of the three-year project.

As a reminder, LFUCG Progressive Street Outreach grant funds may not be used for housing expenses such as rent, utilities, etc. – projects should leverage other resources for housing.

Budgets should include, at a minimum, the following line-items. For each category, identify the amount requested, the amount to be provided through cash match (if applicable), and the amount to be leveraged through other programs or organizations (if applicable).

- Personnel – Identify each position allocated to the grant, role in the project and percentage of FTE allocated.
- Fringe Benefits – Include the organization's fringe benefit rate or show how fringe benefit costs were calculated for the proposed personnel expenses.
- Equipment – Describe any equipment needed for the project such as a tablet for conducting Housing Triage assessments in the field. Clearly identify one-time expenses versus ongoing expenses.
- Travel – Include anticipated amount of travel and mileage reimbursement rate. If out of area travel is proposed, identify its purpose and relevance to the project.
- Contractual – Describe any expenses associated with providing expanded supportive services or other services for which the organization intends to contract with another entity. Any of these expenses to be provided by the proposing organization at no additional cost (as leverage) should be included in other line items.
- Operating Expenses – Break down costs associated with supplies, office space, contracts for supportive services, and any other expense associated directly with the operation of the project. For each item identify the category, such as "Cell Phone Service," and a brief justification of the amount requested.
- Indirect Costs – If an indirect cost rate is used, provide evidence of an approved indirect cost rate from the appropriate cognizant agency. If the organization does not use an indirect cost rate, provide a clear indication of administrative costs as differentiated from direct operating expenses.

5.0 REQUIRED DOCUMENTS

5.1 Audit

Applicants must submit their most recently completed financial audit as an attachment to their proposal.

5.2 Match/Leverage Letters Match

If the proposer is using match or leverage to expand the program past the point of LFUCG available funding, all match and leverage amounts should be documented in commitment letters in order to receive full credit for budget scoring purposes. Letters do not count toward page limits.

Organizations contributing match and leverage should be aware they will be required to participate fully in the HMIS regarding data collection for this program.
