Dear Mr. Davenport,

I am pleased to inform you that our Board of Directors has reviewed the details of your needs, as brought to our attention by our Program Director and has approved that a grant be given to your organization in the amount of \$300.00. Accordingly, we are enclosing herewith our check in the amount of \$300.00 payable to your organization.

We recognize your need, and thanks to the generosity of individuals and corporations from all corners of this country our organization has been able to assist those in need since 1991. All we ask in return is simple: that you keep in touch with us and let us know how our grant was of assistance to you (so that we can share that news with our contributors), and that if your organization and others in your community find yourselves in a position that you remember the Firefighters Charitable Foundation, so that we may be in a position to help others in their time of need.

Please help us update our information regarding your facility. If there are any changes to your fire department mailing address, name of your chief, phone number etc. please let us know. Send information to: Joann Vazquez – email: jvazquez@ffcf.org.

Once again, we are very pleased that we were able to be assistance to you.

Sincerely,

Frank R. Tepedino
