Equal Employment Opportunity

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, religion, sex (including pregnancy, sexual orientation or gender identity), national origin, disability, age, genetic information, political affiliation, or veteran status, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

Kentucky Equal Employment Opportunity Act

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;
- (3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and
- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

- (1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.
- (2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.

KRS 45.630 Termination of existing employee not required, when

Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that employee was employed prior to the date of the contract.

KRS 45.640 Minimum skills

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available workforce in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

LFUCG Non-Appropriation Clause

Contractor acknowledges that the LFUCG is a governmental entity, and the contract validity is based upon the availability of public funding under the authority of its statutory mandate.

In the event that public funds are unavailable and not appropriated for the performance of the LFUCG's obligations under this contract, then this contract shall automatically expire without penalty to the LFUCG thirty (30) days after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the LFUCG shall not activate this non-appropriation provision for its convenience or to circumvent the requirements of this contract, but only as an emergency fiscal measure during a substantial fiscal crisis, which affects generally its governmental operations.

In the event of a change in the LFUCG's statutory authority, mandate and mandated functions, by state and federal legislative or regulatory action, which adversely affects the LFUCG's authority to continue its obligations under this contract, then this contract shall automatically terminate without penalty to the LFUCG upon written notice to Contractor of such limitation or change in the LFUCG's legal authority.

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

**SCOPE OF SERVICES
REQUEST FOR QUALIFICATIONS
REAL ESTATE APPRAISAL SERVICES
SANITARY AND STORM SEWER
CAPITAL IMPROVEMENT PROGRAM**

Background

The Lexington Fayette Urban County Government (LFUCG) Division of Water Quality (DWQ) will accept Statements of Qualifications from current Kentucky Transportation Cabinet (KYTC) pre-qualified real estate appraisers headquartered in Fayette County, Kentucky for Real Estate Appraisal Services relating to the Sanitary and Storm Sewer Capital Improvement Programs. DWQ will retain a list of qualified real estate appraisers to provide general and complex written appraisals necessary to secure temporary and permanent pipelines easements or fee simple property acquisitions. Selected property appraisers will be assigned to different project areas and work with "to be determined" negotiating teams in the final resolution of all required easements and acquisitions.

Contract Type

The contract will be an indefinite services delivery contract. **There will be no guarantee of work for any selected appraisers.**

The intent of this contract is to assign projects to contracted appraisers on a rotational basis. The appraisers selected for this contract will initially be ranked in descending order, based on the total scores determined by the LFUCG proposal selection workgroup. As each appraiser is assigned a specific project, they will then be moved to the bottom of the list, giving the next lowest ranked appraiser the opportunity to provide a services quote for the next project. The division will select no more than three (3) qualified appraisal firms for award.

As new projects are developed by DWQ, the currently top ranked appraiser under contract will be asked to submit a cost proposal for services as defined below for a specific project area. The cost proposal shall utilize the hourly rates submitted in their proposal and be based upon a man-hour projection for the services requested.

If DWQ deems the proposed fee to be within acceptable guidelines, the appraiser will be authorized to proceed with a defined Scope of Services. If DWQ and the appraiser currently under consideration cannot reach an agreement for professional service fees, the next lowest ranked appraiser will be asked to submit a cost proposal and the unsuccessful appraiser will be moved to the bottom of the list. It is the intent of DWQ to

have multiple appraisers available to perform this work without a formal procurement process for each individual project.

Contract Term

The duration of this Agreement is for 365 days from the OWNER'S Urban County Council approval. The Agreement provides for two annual renewals, but only upon approval by the OWNER'S Urban County Council, consistent with the terms of this Agreement.

Submittals

Statements of Qualification shall be limited to 15 pages and shall be structured as follows:

Section

1. Letter of Transmittal

- One page maximum

Response to the Technical Portion of the RFP:

Responsiveness:

I have been an independent appraiser since 1987 and have worked with the Transportation Cabinet on many projects including strip takings to complex commercial acquisitions. I have been involved with the Cabinet as a project appraiser as well as a litigation appraiser on many cases.

I have testified as an appraisal expert witness in excess of one hundred cases.

I hold the MAI and SRA designation from the Appraisal Institute and I have the General Certification, license no. 109 from the Kentucky Real Estate Appraisers Board.

I have wide experience with eminent domain cases with the Transportation Cabinet as well with other entities including the US Department of Justice, Corps of Engineers, Kentucky Utilities, CSX Railroad, Norfolk Southern Railway, the Lexington Fayette Urban County Government, Kentucky Office of the Courts, General Service Administration, and the Kentucky State Revenue Cabinet.

I have experience appraising all types of easements, partial and total acquisitions of residential, commercial and agricultural properties.

I am fully compliant with the Uniform Standards of Professional Practice as well as the Right of Way Appraisal Guidelines.

Past KYTC projects include the Somerset Bypass, Tates Creek Road, Lexington, New Circle Road, Lexington, Citation Blvd., Lexington, US 27, Campbell County, US 127, Franklin and Bath Counties, US 25, Scott County, and US 25, Mount Vernon.

Years of Experience:

I have been involved with appraisal work since 1974 and have had my own business since 1987 when I was designated with the MAI from the Appraisal Institute. I have worked with many departments of LFUCG since 1987 on many projects and worked within the framework of the R/W Guidelines and Kentucky Statutes. I have experience with all the R/W forms and procedures to meet the Standards of Appraisal Practice.

I have worked with many LFUCG law department attorneys on court cases as an expert witness. I have long experience working on R/W easement appraisals subject to State and Federal law.

As an MAI I receive regular updates of court cases that effect eminent domain law.

Knowledge of Location:

I am a resident of Fayette County and half my work load is within the county.

Quality of Work:

Throughout my experience with the LFUCG my work quality has been a personal priority.

Cooperation on Fast Assignments:

I have always enjoyed working with the Public Sector throughout the State with Cooperation with all concerned members a given to complete the project in a timely and professional manner. As far as I know I have always been responsive to the needs of the managers and attorneys involved.

Timeliness on Past Appraisals:

I have always strived to complete the assignment on time as I know that the timing of the whole project depends on the R/W and easement acquisition. Timing is always a critical issue for all appraisal assignments and I believe my past performance reflects my attention to this issue.

Public Relations Skills:

The primary contact with subject property owners is quite often the appraiser. Because of this I know how important it is to be a good representative, as this contact can help move the R/W process in a positive way.

The nature of the appraiser interaction with the land owner should be professional, informative, and truthful and give the owner confidence that the appraiser is competent.

The owner contact can set the tone in the process, although it cannot overcome physical issues that may be contentious for the owner.

The best the appraiser can do is to know and explain the facts of the project while listening to the concerns of the owner and explain the process of the appraisal without alienation of the property owner.

I have worked on both sides of the eminent domain process and understand the concerns that property owners have. The duty of the R/W appraiser is to be a good representative of the client by being well informed, truthful and courteous to all owners.

I believe I have the skill to understand the needs of all concerned and to deal with property owners as well as can be expected.

Laws and Regulations

All applicable state laws, ordinances and resolutions (including but not limited to Section 2-33 (Discrimination due to sexual orientation or gender identity) and Chapter 13 (Licenses and Regulations) of the Lexington-Fayette Urban County Government Code of Ordinances, and Resolution No. 484-17 (Minority, Women, and Veteran-Owned Businesses)) and the regulations of all authorities having jurisdiction over the project shall apply to the contract, and shall be deemed to be incorporated herein by reference.

Equal Employment Opportunity

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, religion, sex (including pregnancy, sexual orientation or gender identity), national origin, disability, age, genetic information, political affiliation, or veteran status, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

Kentucky Equal Employment Opportunity Act

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;
- (3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and
- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

- (1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.
- (2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.

KRS 45.630 Termination of existing employee not required, when

Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that employee was employed prior to the date of the contract.

KRS 45.640 Minimum skills

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available workforce in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

LFUCG Non-Appropriation Clause

Contractor acknowledges that the LFUCG is a governmental entity, and the contract validity is based upon the availability of public funding under the authority of its statutory mandate.

In the event that public funds are unavailable and not appropriated for the performance of the LFUCG's obligations under this contract, then this contract shall automatically expire without penalty to the LFUCG thirty (30) days after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the LFUCG shall not activate this non-appropriation provision for its convenience or to circumvent the requirements of this contract, but only as an emergency fiscal measure during a substantial fiscal crisis, which affects generally its governmental operations.

In the event of a change in the LFUCG's statutory authority, mandate and mandated functions, by state and federal legislative or regulatory action, which adversely affects the LFUCG's authority to continue its obligations under this contract, then this contract shall automatically terminate without penalty to the LFUCG upon written notice to Contractor of such limitation or change in the LFUCG's legal authority.

EQUAL OPPORTUNITY AGREEMENT

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

Bidders

I/We agree to comply with the Civil Rights Laws listed above that govern employment rights of minorities, women, Vietnam veterans, handicapped and aged persons.

**SCOPE OF SERVICES
REQUEST FOR QUALIFICATIONS
REAL ESTATE APPRAISAL SERVICES
SANITARY AND STORM SEWER
CAPITAL IMPROVEMENT PROGRAM**

Background

The Lexington Fayette Urban County Government (LFUCG) Division of Water Quality (DWQ) will accept Statements of Qualifications from current Kentucky Transportation Cabinet (KYTC) pre-qualified real estate appraisers headquartered in Fayette County, Kentucky for Real Estate Appraisal Services relating to the Sanitary and Storm Sewer Capital Improvement Programs. DWQ will retain a list of qualified real estate appraisers to provide general and complex written appraisals necessary to secure temporary and permanent pipelines easements or fee simple property acquisitions. Selected property appraisers will be assigned to different project areas and work with "to be determined" negotiating teams in the final resolution of all required easements and acquisitions.

Contract Type

The contract will be an indefinite services delivery contract. **There will be no guarantee of work for any selected appraisers.**

The intent of this contract is to assign projects to contracted appraisers on a rotational basis. The appraisers selected for this contract will initially be ranked in descending order, based on the total scores determined by the LFUCG proposal selection workgroup. As each appraiser is assigned a specific project, they will then be moved to the bottom of the list, giving the next lowest ranked appraiser the opportunity to provide a services quote for the next project. The division will select no more than three (3) qualified appraisal firms for award.

As new projects are developed by DWQ, the currently top ranked appraiser under contract will be asked to submit a cost proposal for services as defined below for a specific project area. The cost proposal shall utilize the hourly rates submitted in their proposal and be based upon a man-hour projection for the services requested.

If DWQ deems the proposed fee to be within acceptable guidelines, the appraiser will be authorized to proceed with a defined Scope of Services. If DWQ and the appraiser currently under consideration cannot reach an agreement for professional service fees, the next lowest ranked appraiser will be asked to submit a cost proposal and the unsuccessful appraiser will be moved to the bottom of the list. It is the intent of DWQ to

have multiple appraisers available to perform this work without a formal procurement process for each individual project.

Contract Term

The duration of this Agreement is for 365 days from the OWNER'S Urban County Council approval. The Agreement provides for two annual renewals, but only upon approval by the OWNER'S Urban County Council, consistent with the terms of this Agreement.

Submittals

Statements of Qualification shall be limited to 15 pages and shall be structured as follows:

Section

Proposal must contain proof the submitting firm is currently pre-qualified with the Kentucky Transportation Cabinet (to complete assignments for KYTC or to complete assignments for other state and local agencies that use the KYTC list) and headquartered in Fayette County, Kentucky for proposal to be accepted. 3. List of Clients for Which Similar Work has Been Performed
