1. **Section 1.09 of the Agreement shall be amended to read as follows:**

For a period of fifteen (15) years from the date on which development of the Project is completed, established as the date the HUD's Integrated Disbursement and Information System (IDIS) accepts and records the Completion report, Borrower shall charge the HOME rents in HOME-ARP units as established from time to time by HUD pursuant to any regulations promulgated by HUD or the Government. The rents so charged must include utility costs. The maximum allowable HOME rent must be reduced by a utility allowance approved by Government if tenant is required to pay separately for utilities. The Utility Allowance approved by the Government is the Lexington-Fayette Urban County Housing Authority's Section 8 Existing Housing Allowance for Tenant Furnished Utilities and Other Services. Utility allowances approved by Government may vary as periodic adjustments are made. Should HUD revise these or other rent guidelines set out herein so as to permit Borrower to adjust the rent charged, Borrower must obtain the approval of the Government prior to adjusting rents and provide tenants with no less than thirty (30) days' written notice before adjustments are implemented.

2. The Borrower must annually certify to the Participating Jurisdiction that each building and all HOME-assisted units in the project are suitable for occupancy, taking into account State and local health, safety, and other applicable codes, ordinances, and requirements, and the ongoing property standards established by the participating jurisdiction.

3. In the event of a conflict between the terms of this First Amendment and the terms of the Agreement, this First Amendment shall control. All other terms of the Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the parties have executed this First Amendment to the Loan Agreement at Lexington, Kentucky, the day and year first above written.
