DATE: **August 13, 2026**

SUBJECT: **Institute of Police Technology and Management (IPTM)**

Request: Lexington Police requests Council authorization to use Kentucky Office of Highway Safety grant funds in the amount of $17,500.00 to host one additional IPTM 40 hour training course. This training course allows up to 30 officers to attend.

Purpose of Request: IPTM will travel to the hosting department, which is a significant cost decrease from paying each individual student to travel to Florida to take the course. It is to commence on September 7, 2026 and conclude on September 11, 2026.

If approved, Lexington Police Department would plan and host the training for their officers and several other officers within the state of Kentucky.

What is the cost in this budget year and future budget years? A total of $17,500.00 from the 2026 Highway Safety grant funding will go to this course and add to the four previous approved training courses, which totaled $70,000 for a complete total of $87,500.00.

Are the funds budgeted? The funds are budgeted from The Kentucky Office of Highway Safety Grant. 3160-505505-5543-74102-TRAFSAFTY_2026A $16,900 and 1101-505505-5544-75801 $600
