To whom it may concern

We at Pack's Nursery and Landscaping LLC are interested in quoting work related to the bid invitation for Road Land and Streams Cleanup Bid # 170-2018. We have are currently doing landscape maintenance projects for the city but are very interested in doing other projects for the city as well. We have done several invasive species removal projects for LFUCG in the past and can give information on our contact as a reference for that type of work if requested.

We have 2 trucks. A 2010 f-450 stake bed dump truck and a 2015 Chevy pick up. We have several mowers and a bobcat and tractor with loader. We can rent any other equipment we may need for other types of projects.

Also we currently have 2 employees but can add any laborer we may need if needed. Our staffing varies by time of year and workload.

I hope this covers the information requested and can provide any other information needed.

Thanks

Chris Davis, owner

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.
