NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT:

Section 1 – That the preamble set forth following the title to this resolution is incorporated herein as if set out in full.

Section 2 – That the term “business” is intended to be broad and includes a sole proprietorship, partnership, limited liability corporation, not-for-profit, or non-profit organization or any other business entity form recognized under Kentucky law. The term “business” does not include governmental entities, special purpose governmental entities, or any entity created by the Lexington-Fayette Urban County Government.

Section 3 -- That there is hereby established a local economic development program to provide grants to certain qualified local small businesses to be known as the “LFUCG Small Business Economic Recovery Program” (or hereinafter the “Program”), as further provided herein.

Section 4 – That the purpose of the Program is to provide certain qualified local small businesses with total cumulative funding of up to \$2,500,000.00, through the Program administrator by providing grants of up to \$25,000.00 each, with a primary goal of providing funding stability to local small businesses such that they can retain or expand jobs and their related Lexington-Fayette County payroll base.

Section 6 – That, at this time the maximum amount of cumulative funding under the Program is \$2,500,000.00. Additional funding for the Program may be authorized through a subsequent resolution.

(b) Compliance with the terms of the grant will be based upon a sliding scale comparing the percentage of jobs retained by the grantee and/or its total Lexington-Fayette County payroll base one year after receipt of the funds to those figures at the time of application, and as further determined by the Program administrator consistent with the provisions of this Resolution.
