SUBJECT: Bid #57-2021 CSEPP Radios for Schools

Bids to establish a price contract for CSEPP Radios for Schools for the Division of DEM/CSEPP were received in the Division of Central Purchasing on June 17, 2021.

Lonwave notified five hundred and thirty-six (536) suppliers with fifty-eight (58) suppliers viewing the document. Four (4) bids were received.

Taza Supply (Tiles in Style) was the low bidder but did not meet specifications. They are not an authorized Tait dealer and do not have a resale agreement with Tait, therefore eliminating any warranty options.

AMK Services submitted the second lowest bid. They are an authorized Tait dealer and they have a resale agreement with Tait.

The bid of AMK Services meets bid specifications and is within budgetary constraints, therefore, the bid of AMK Services is recommended.
