If more than two (2) hours is spent on a subsequent late call, all time worked beyond the regularly scheduled shift will be eligible for overtime as approved by the officer's immediate supervisor. If multiple late calls occur in the same week, an officer's work week is considered complete when the officer reaches forty (40) hours for the week, not counting any time eligible for overtime provided herein, unless staffing needs require the officer to work in a beat staffing capacity. Nothing herein shall preclude the Department from granting a Member's request for a schedule change.

Section 4. The Department shall not change a Member's scheduled RDO(s) unless seven (7) days notice is given. Provided, however, this seven (7) days notice shall not have to be given if the Chief, in their sole discretion, declares an emergency or a Member agrees to waive the notice.

APPENDIX 1 - DRUG AND ALCOHOL POLICY

I. <u>POLICY STATEMENT</u>: The Lexington-Fayette Urban County Government (LFUCG) is committed to providing a healthy and safe environment for its employees. The influence of alcohol, use of illegal drugs, and misuse of legal drugs create an impairment that subjects fellow employees, property and the public to risks of injury and/or damages that would not exist in an alcohol and drug free workplace.

Employees who violate these standards of conduct are subject to disciplinary action which range from a minimum of suspension without pay to a maximum of termination from employment. For the purposes of detecting alcohol and illegal drug use/abuse, drug and/or breath alcohol test (BAT) will be requested. All tests shall be done in accordance with current applicable statutory or case laws to protect each employee's constitutional rights. Refusal to submit to a drug test or BAT may be immediate grounds for dismissal.

Statutes prevail over matters in this policy unless the statutes allow the adoption of stricter standards.

In meeting its responsibilities to employees, the LFUCG has an Employee Assistance Program (EAP) which offers assistance to employees seeking help for alcohol and/or drug abuse. Once identified, these problems must be addressed. In addition, lists of sources of information for employees including: counseling, treatment, and rehabilitation services are provided upon request.

It shall be a violation of the LFUCG Alcohol and Drug Free Workplace Policy for any employee to be convicted of manufacturing, distributing, possessing or using illegal drugs as defined by applicable federal and state laws. The illegal use, distribution, or sale of legally prescribed medication is likewise a violation of this policy.

Possession of any alcoholic substance in or on government property and/or being at work with a detectable odor of an alcoholic substance on an employee's breath, or other reasonable suspicious behavior, including accidents, and which when tested results in a Blood Alcohol Content (BAC) of 0.02% or above, is a violation of this policy. Also, the use of illegal drugs or misuse of legal drugs while in a work status is a violation of this policy. Testing shall conform to Substance Abuse and Mental Health Services Administration (SAMHSA) guidelines.

All LFUCG places of employment, including property and buildings are covered under this policy. The LFUCG reserves the right to search government owned property at any time and to search employees' personal property as allowed by law.

The Director of Human Resources shall be responsible for the administration of and establishing the operational procedures necessary to implement this policy.

II. <u>CONDITIONS OF EMPLOYMENT</u>: Adherence and compliance to this policy including but not limited to the rules, regulations, policies and procedures will be a condition of employment with the LFUCG. Execution of the Alcohol and Drug Free Workplace Policy Consent Form acknowledging receipt of this policy is a required condition of employment.

III. SCOPE:

A. Alcohol - Scope and Defined

Alcohol in the blood can alter the body's senses and prevent the employee from performing the job duties in a safe and productive manner. Therefore, the use of any ingestible alcoholic substance while in or on government property is strictly prohibited.

Reporting to work or having at any time during the work day, a detectable odor of an alcoholic beverage on his/her breath which results in a BAC of 0.02% or above shall violate policy and the offending employee may be suspended or dismissed.

- **M. Medical Staff** Authorized personnel qualified by license or certification to perform medical procedures.
- N. Medical Review Officer (MRO) A licensed (doctor or doctor of osteopathy) specifically authorized, appointed and approved by the LFUCG, who is responsible for receiving results generated by the authorized and approved LFUCG drug and alcohol testing program laboratory. The MRO shall have knowledge of substance abuse disorders and have appropriate medical training to interpret and evaluate an individual's confirmed positive test results, together with the employee's medical history and any other relevant biomedical information.

All urine drug screens and confirmations are to be conducted by a laboratory recognized and approved by the College of American Pathologists (CAP) or Substance Abuse and Mental Health Services Administration (hereafter referred to as SAMHSA) (Formerly: National Institute of Drug Abuse (NIDA)).

V. <u>EMPLOYEE ASSISTANCE PROGRAM (EAP)</u>: Early recognition and treatment of drug or alcohol abuse is important for successful rehabilitation. The LFUCG encourages the earliest possible diagnosis and treatment for substance or alcohol abuse.

In meeting its responsibility to employees, the LFUCG has established and maintains an EAP which informs employees of the dangers of alcohol and drug abuse and offers assistance to employees seeking help for alcohol or drug abuse, and the personal and emotional problems associated with abuse.

A. Employees Who Seek Assistance - PRIOR TO NOTIFICATION OF TESTING:

At any time prior to testing, an employee may acknowledge his or her drug or alcohol abuse and secure a leave of absence to undergo rehabilitation. This program must be approved by the Director of Human Resources, or his designee, as being a certified rehabilitation program.

An admission of substance abuse, including alcohol, will not subject the employee to disciplinary action providing the aforementioned process is followed and the rehabilitation program is successfully completed by the employee.

The employee must enter the program and remain in the program as long as required, based upon the recommendations of the treatment provider (licensed clinical social worker, physician, psychologist, psychiatrist).

After acknowledgment of substance abuse, refusal to commit to and successfully complete an authorized rehabilitation program will be grounds for charges being brought before the Lexington-Fayette Urban County Council, for discipline.

Should the employee commit to rehabilitation, a determination will be made by the EAP, the Director of Human Resources and the Chief as to whether the employee can remain on the job in a current or available substitute duty capacity during rehabilitation, performing duties that pose no risk to fellow employees, property, or the general public or whether the employee must take a leave of absence or sick time during rehabilitation.

Once the employee is authorized to return to work, subsequent testing for continued substance use/abuse will be performed based upon a medical recommendation by the treatment provider.

LFUCG will, at all times, respect the employee's right of privacy and subsequent tests will only be required with reasonable suspicion or in the random selection process.

B. Leave During Treatment: There will be two (2) types of treatment plans for LFUCG employees:

- 1. **In-patient followed by Out-Patient Phase:** The in-patient phase will be charged as sick leave or other leave, if such is available. If sick or other leave has been exhausted, their status will be changed to leave of absence without pay.
- 2. **Out-Patient Phase Only:** Normally, the employee will return to work at his normal or alternate duties. However, if the EAP Representative recommends other duties during this phase, then provisions will be made.
- C. Medical Insurance: The cost of rehabilitation will be provided by the LFUCG to those employees who are covered by the government's medical insurance, but only to the extent of applicable coverage which exist at the time of any claim. Employees are responsible for all costs not covered by the employee's medical insurance.
- VI. <u>PROHIBITED BEHAVIOR</u>: The following behavior and activities are prohibited under this policy.
 - A. Use, possession, distribution, or sale of alcohol, illegal drugs or drug paraphernalia or the unlawful manufacture, distribution, dispensation, possession or use of controlled substances on government property or within government vehicles.

VII. EMPLOYEES' REPORTING RESPONSIBILITIES:

A. LEGAL DRUGS: An employee's use of any legal drug can pose a significant risk to the safety of the employee or others.

Prior to ingesting any legal drug, it shall be the sole responsibility of the employee to inquire from the attending physician, pharmacist, or health care provider, if the legal drug may limit or impair their ability to perform the duties of his/her position in any way.

Employees who have knowledge or have been informed, that the use of any legal drug may present a safety risk, shall immediately report such drug use to their immediate supervisor to determine job related consequences.

Should any legal drug adversely alter the senses of or prevent the employee from performing the job duties in a safe and productive manner, it shall be the responsibility of the employee to notify his/her immediate supervisor, advising them of the limitations the legal drug poses. Supervisors who are aware of such a situation are to instruct the employee to report performance problems.

The supervisor, in counsel with the Chief and the Director of Human Resources or designee, shall then determine if the employee can safely and effectively perform the assigned job duties while taking the legal drug. If it is determined that the employee cannot perform the job duties safely and effectively, the employee may be required to take a leave of absence, sick time or assigned other duties to be determined by the Chief and the Director of Human Resources or designee.

In cases of an unexpected adverse reaction to any legal drug while at work, the employee, without delay, shall immediately notify his/her immediate supervisor.

All employees who have an unexpected adverse reaction to any legal drug shall, without delay, safely cease operating vehicles where continued operation while impaired may be inherently dangerous, and shall immediately notify their immediate supervisor.

No supervisor or Chief may assign, direct, or order an impaired employee to continue operating a vehicle or equipment, or performing a safety sensitive function.

B. ALCOHOL/DRUG RELATED ARREST OR SUMMONS: Employees arrested or summoned for violation of any law or ordinance pertaining to the illegal manufacturing, distribution, dispensation, possession or use of alcohol, legal or illegal drugs, or foreign substances shall immediately report such arrest or summons to the Chief, who will in turn report same to the Director of Human Resources or designee.

Employees shall immediately report any arrest or summons for violation of any law relating to the use or possession of alcohol to their Chief, who shall report same to the Director of Human Resources or designee.

Such employees shall further be obligated to keep the Chief apprised of the court status and final disposition of the case. Failure to report such violation may be considered grounds for dismissal.

- VIII. REFUSAL TO SUBMIT TO A PROPER REQUEST FOR TESTING: For the purposes of detecting alcohol and illegal drug use/abuse, drug or breath alcohol test (BAT) will be requested. All tests shall be done in accordance with current applicable statutory or case laws to protect each employee's constitutional rights. Refusal to submit to a drug or BAT shall be immediate grounds for dismissal.
- IX. <u>TESTING SAFEGUARDS. TERMINOLOGY AND GUIDELINES</u>: Alcohol and Drug Screening shall be conducted under the following circumstances:

1. Drug Tests and Cutoff Levels

RANDOM TESTING FOR ALL CDL PERSONNEL — Random testing for sworn personnel that are CDL holders and who utilize that license for LFUCG shall be tested under both the five (5) panel, as required by DOT (Department of Transportation), and will also be tested under the nine (9) panel.

The **five panel drug test** will test for:

C. Reasonable Suspicion Testing (RST) - Employees will be tested for drugs or alcohol when reasonable suspicion exists to support a belief that the employee is under the influence of drugs or alcohol or that the employee's behavior or work performance has been affected by drugs or alcohol. The basis for the decision shall be documented, in writing, by supervisory personnel or by medical

personnel. A determination will be based upon observation and documentation of:

- 1. Detection of an alcoholic substance emitting from the employee's breath;
- 2. Observation(s) of the employee's speech being unusually slurred, or noticeably different without a proper medical reason being given;
- 3. Observation(s) of the employee's actions or conduct as being noticeably different or impaired and not consistent with normal conduct and without proper explanation; or

The requested testing is to be done within two (2) hours but no later than eight (8) hours after observation.

D. Post-Critical Incident Testing (PCI) - Any employee involved in a single vehicle accident, while in a Department assigned vehicle, with property damages of \$5,000.00 or more; a work related accident or incident in which there is one (1) or more fatalities; an incident or accident involving one (1) or more injuries requiring emergency treatment; or, an incident involving property damage of \$5,000.00 or more, shall immediately notify their supervisor to confirm if the employee will be tested.

Such testing shall be conducted within two (2) to eight (8) hours of the incident.

- **E.** Random Testing (RAN) Random Testing means that drug tests are unannounced and that through a random selection process all employees have an equal chance of being selected. The following are pools for random selection:
 - 1. Employees are in positions of public trust. They perform highly dangerous duties and are members of a highly regulated force. They enforce drug and alcohol laws, are armed, have powers of arrest, and make "life and death" decisions.
 - 2. Employees selected for random testing through the use of the random selection procedures specified within this policy shall be subjected to testing of their blood, breath or urine, for the presence of alcohol and/or drugs within their system.

- 3. During ANY random testing, if a medical staff member of an approved medical facility detects an employee to be under the influence of alcohol or drugs, the employee may be required to submit to additional blood or breath testing prior to submission of the urine specimen, for the purpose of establishing their BAC.
- 4. Employees who have reported to any approved medical facility for testing under this policy and are obviously impaired and have a confirmed BAC test result of 0.02% or above, shall be immediately reported by the medical facility to the Director of Human Resources (or designee) and the MRO.
- 5. Confirmed positive test results and the corresponding documentation will be forwarded by the medical facility to the MRO for review and investigation.
- X. <u>CONFIDENTIALITY</u>: Information including test results obtained on individuals as part of this drug and alcohol abuse policy shall be treated confidentially and shall be disclosed only after express written consent is submitted and approved by the LFUCG to those having a legitimate need to know. No tests for medical conditions shall be run on samples provided for drug screening. Any medical condition inadvertently identified by drug screening shall remain confidential and shall not be reported to the LFUCG.

XI. RANDOM SELECTION PROCEDURES:

- A. The Division of Human Resources shall initiate, maintain, and update computer files containing accurate and weekly checked information containing:
 - 1. Employee numbers
 - 2. Employee names
 - 3. Employee SSN's
 - 4. Employee's Division
- B. The Division of Human Resources, utilizing a computer generated program for random selection, shall generate lists of random names from the select pools. A Letter of Notification, addressed from the Director of Human Resources, or his designee, will be forwarded to the appropriate employee. The Chief will receive a separate memorandum identifying the name of the employee who has been selected.
- C. An employee must take a photo identification and the Letter of Notification to the nearest testing facility within two (2) hours of being notified of their random selection.
- D. Employees who are on vacation, off-duty, or on sick or disability leave, shall not be called in from that status. The Chief or his designee shall immediately notify

the Division of Human Resources of any employee who is unavailable for testing. Such will be documented with an expected date of return.

E. Within seven (7) hours of the employee's return to duty, the Division of Human Resources will resubmit the Letter of Notification to the Chief. The employee shall be instructed to report with a valid official photo identification and the Letter of Notification to the designated testing facility within two (2) hours.

XII. TESTING FACILITIES:

The Division of Human Resources will provide a list of testing facilities to the lodge and will also notify of any changes in testing locations.

XIII. SEARCHES:

LFUCG reserves the right to conduct searches of LFUCG owned property including, but not limited to, lockers, desks and government owned/leased vehicles. Employees will be expected to cooperate in conducting the searches.

Searches of employees and employees' personal property located on government property, including automobiles, will only be conducted upon probable cause that the employee is under the influence of illegal drugs or alcohol, or that illegal drugs or alcohol is being kept on personal property, which is located on government property.

APPENDIX 4- SICK LEAVE BANK PROGRAM

- (1) A sick leave transfer program for Members shall be established to provide that any eligible Member may transfer unused accrued sick leave hours to another eligible employee experiencing disabling illness or injury or a death in the immediate family. The program shall be administered by the division of human resources.
- (2) The following definitions shall apply to this section:
- (a) *Member* means a sworn employee of the Department of Police who has completed his initial probationary period.
- (b) *Recipient* means a Member who is eligible to receive sick leave benefits under this program.
- (c) *Donor* means a Member who meets the requirements to transfer leave under this program.
- (d) Disabling illness or injury means a medically certified illness or injury of a Member or his family member, which will result in the Member being absent from duty for at least ten (10) consecutive working days, for which the Member does not have available paid leave and which may result in the Member incurring a substantial loss of income.
- (e) "Disabling illness or injury" does not include self inflicted injuries, job related illnesses or injuries covered by workers compensation, illnesses or injuries covered by automobile insurance benefits, and/or illnesses or injuries suffered as a result of secondary employment.
- (f) Family member means a parent, spouse, child (including adopted children), grandparent, spouse's parent, spouse's grandparent, any relative for whom a Member is legally responsible, or relatives who are residing with and are under the care of an Member during the relative's disabling illness or injury.
- (3)(a) A donor wishing to transfer unused accrued sick leave to a qualified recipient must file the appropriate form with the division of human resources requesting that a specified number of hours of accrued sick leave be transferred to another eligible named Member. However, only Members with a sick leave balance of over six hundred (600) hours are eligible to be donors and a Member's requested transfer of sick leave may not result in that Member's sick leave balance dropping below six hundred (600) hours.
- (b) The minimum number of sick leave hours that a Member may transfer annually is eight
- (8). The maximum number of sick leave hours that a Member may donate annually is sixty (60).
- (4) Once the proper documentation has been submitted by both the proposed recipient and donor Members, the human resources department shall within five (5) days of receipt review the documentation and notify the donor and recipient, in writing, if they meet the eligibility requirements of this program. If so, the recipient shall be entitled to use the transferred sick leave under this program. However, a Member is not eligible to be a recipient of transferred sick

leave until he or she has exhausted all available paid leave, including sick leave, vacation, holiday and compensation time.

- (a) Members may receive benefits under this program in addition to benefits being received through long term disability plans, as long as the combined benefits do not exceed the Member's regular gross salary.
- (b) Benefits to a Member on maternity/paternity leave shall be available only if the Member's new born child suffers from a serious medical condition that requires an absence longer than the employee's original request for maternity/paternity leave.
- (5) Transferred sick leave will be paid at the recipient's regular rate of pay and on the government's regular pay periods.
- (6) Transferred sick leave may only be used by a recipient while he, she or a family member is experiencing a disabling illness or injury. It is the responsibility of the recipient Member to notify the division of human resources, in writing, within five (5) days from the date that his or her disabling injury or illness no longer exists. Further, in the event of the recipient's death or retirement, or if his or her employment is terminated, the recipient is no longer eligible to receive sick leave transfer benefits.
