

AMB SERVICE AGREEMENT

THIS SERVICE AGREEMENT (the "Agreement") is made and entered into on this the 8th day of October, 2021, by and between Lexington-Fayette Urban County Government, of 200 East Main Street, Lexington, KY 40507 ("CLIENT"), and Credit Bureau Systems, Inc. d/b/a Ambulance Medical Billing, of 100 Fulton Court, Paducah, Kentucky 42002-9200 (hereafter "AMB"), pursuant to the terms and conditions set forth herein. For the consideration stated herein, the parties do hereby agree as follows:

1. **Description of Services.** AMB is a national ambulance and EMS full-service billing and revenue cycle enhancement firm, specializing in billing and obtaining payment for services provided by ambulance services, and CLIENT is in the business of providing ambulance services to patients in its geographical location. For the term of this Agreement, as defined herein, AMB shall use its best efforts to bill for and obtain reimbursement for CLIENT, for all of CLIENT'S charges, for all services rendered by the Client to patients, on or after the Effective Date, by billing patients and third-party payers, including applicable governmental programs and entities (hereafter the "Services"). Any additional services which AMB agrees to provide are explicitly set forth in the Addenda here to which are incorporated herein by reference and explicitly made a part of and included in the Services.

CLIENT agrees that AMB will be the sole and exclusive provider of the Services during the terms of this Agreement, and CLIENT will not utilize any other party or entity, or its own personnel, to bill for services rendered by CLIENT during the term of this Agreement.

2. **Effective Date.** This Agreement shall be effective for all Services rendered by CLIENT on and after December 1, 2021, during the term of this Agreement, as defined herein. AMB shall have no obligation or responsibility with respect to any services rendered by CLIENT prior to the Effective Date, or accounts receivables already existing as of the Effective Date, unless a separate written agreement is entered into by the parties with respect to such pre-Effective Date services (hereafter "Legacy Claims").
3. **Term.** The initial term of this Agreement shall be for three (3) years from the Effective Date (hereafter the "Initial Term"). The Initial Term shall automatically renew for an additional three (3) year term (hereafter the "Additional Term") unless the Agreement is terminated as set forth herein. All Payments in future years are subject to appropriations by the Urban County Council. Should the Urban County Council not appropriate funds to fulfill the main term of the Agreement, the Agreement shall terminate. In the event of termination, for any reason, including the failure of the Urban County Council's to appropriate funds, such termination shall not affect Client's obligations to pay AMB for charges incurred prior to termination and shall not affect Client's obligations under Section 5 - Computer Software, Hardware and Training.

4. **Fees.** Beginning as of the Effective Date, CLIENT shall pay AMB a fee of 4.25% per month of net collections received during the Initial Term and any Additional Term (the "Base Fee"). Net collections shall be defined as the total sum of all monies collected by AMB, or by CLIENT, for all services rendered by CLIENT after the Effective Date, during the Initial Term or any Additional Term of this Agreement. The parties agree that some direct payments will be made to CLIENT during the term of this Agreement (hereafter "Direct Payments") and CLIENT acknowledges that AMB is entitled to be paid its fee, as described herein, with respect to any such Direct Payments. CLIENT shall report all such Direct Payments to AMB within 72 hours of receiving said payment.
5. **Computer Hardware, Software, and Training.** To implement the Services, CLIENT has requested, and AMB has agreed to provide, the following necessary computer hardware, software, equipment, and training (hereafter collectively the "Equipment") for the following agreed upon prices:
- a. ESO Subscription including ePCR, Mobile, EKG and CAD Standard ESO Integration - \$74,875.00
 - b. 18 Panasonic Toughbook CF-20 Rugged computers - \$57,873.51
 - c. Medical Compliance Services - \$10,500.00
 - d. Training - \$2,500.00

Total Charge for Equipment: \$ 145,748.51

If this Agreement is terminated by CLIENT, or AMB, for any reason, prior to the completion of the Initial Term, CLIENT shall pay AMB the pro-rata portion of the Total Charge for Equipment that represents the pro-rata portion of the Initial Term that is not completed due to termination (hereafter the "Pro Rata Charge for Equipment"). By way of example, if CLIENT terminates this Agreement, for whatever reason, after 19 months, CLIENT shall owe and shall pay AMB the Pro Rata Charge for Equipment which shall be equal to 17/36ths of the Total Charge for Equipment, upon termination. CLIENT specifically agrees and acknowledges that it shall have no right to return the Equipment, or any portion of the Equipment, to AMB for a full or partial credit towards the Total Charge for Equipment owed by CLIENT to AMB.

If CLIENT fulfills its obligations as described herein, including its obligation to pay for all Base Fees as described herein, and the Agreement is not terminated prior to the expiration of the Initial Term, CLIENT shall owe no additional amount to AMB for the Equipment.

6. **Payment of Fees to AMB.** AMB shall send an invoice to CLIENT for all Base Fees, any Pro Rata Charge for Equipment due and owing, and any other charges, as provided for herein, on or about the 10th day of each month following the close of business for the prior month (hereafter "Invoice"). Payment is due, and CLIENT shall pay, the Invoice upon receipt. Any Invoice, or part of any Invoice,

that is not paid by CLIENT within thirty (30) days, shall accrue and CLIENT shall pay interest, at the rate of 1.5% per month until paid.

CLIENT agrees to carefully review each Invoice upon receipt, and CLIENT shall notify AMB in writing with respect to any charges that are disputed within thirty (30) days of receiving each Invoice. All charges on any Invoice that are not disputed in writing by CLIENT within thirty (30) days of receipt of said Invoice, along with all accrued interest charges, shall be deemed correct, final and non-modifiable by the parties (hereafter "Undisputed Charges").

CLIENT agrees to, and hereby does, grant AMB a lien on all money received on behalf of CLIENT, as a result of the Services provided by AMB, up to the amount of any Undisputed Charges.

Should CLIENT fail to pay AMB for any Undisputed Charges within sixty (60) days of receipt of any Invoice, Client hereby authorizes and directs AMB to take all lawful action necessary to access, withhold, and retain sufficient sums for payment to AMB of all Undisputed Charges from money paid on behalf of CLIENT from payment transactions on patient accounts, whether from insurance companies, governmental payers, or patients. AMB shall have the right, but not the obligation, to take such steps as allowed herein, and AMB does not waive the right to take any steps it is allowed to take hereby by refraining from immediately taking such steps. Without limiting the foregoing, CLIENT specifically authorizes and directs AMB to change all "remit to" addresses in connection with all billing to direct all patient and/or third-party payments to AMB, rather than CLIENT. Upon receipt, AMB is authorized and directed to retain such sums as are necessary to pay itself for all Undisputed Charges. AMB shall provide a full and complete accounting to CLIENT of all payments remitted to AMB on behalf of CLIENT, and AMB shall promptly remit to CLIENT all money remitted to AMB, net of any money retained and applied towards Undisputed Charges owed to AMB.

7. **Bank Account and Treasury Process** A bank account or lockbox account will be maintained in the name of CLIENT at a bank approved by CLIENT (hereafter the "Bank Account"). Except under the limited circumstances described in numerical paragraph 6 whereby AMB is authorized and directed to change the "remit to" address on remittances due to CLIENT'S failure to pay Undisputed Charges, AMB shall cause all cash receipts, remittances, electronic transfers, and payments of any kind to be directed into the Bank Account, at the election of the CLIENT. AMB will have no signatory or ownership rights in the bank account and will have no right to negotiate or assert ownership rights in deposited funds or to checks made payable to CLIENT. CLIENT shall be responsible for all bank charges, and AMB shall have no responsibility or liability for any bank errors or omissions.
8. **Operating Procedures.** CLIENT agrees and acknowledges that in order for AMB to provide the Services contemplated hereby, CLIENT must provide, or cause facilities, hospitals, or other third-party sites at which CLIENT provides services, to provide to AMB accurate and complete demographic information required by AMB, at no cost to AMB (hereafter the "Demographic Information"). CLIENT acknowledges that AMB will necessarily rely on the Demographic Information in providing

the Services contemplated hereby, and that the timing and amount of reimbursements and ultimately Net Collections generated by AMB and received by CLIENT is directly related to the completeness, timeliness and accuracy of the Demographic Information and other variables, some of which are beyond the control of AMB.

AMB will bill and attempt to collect CLIENT charges in a timely manner and in a manner consistent with all applicable Federal, State and Local laws and regulations and in a manner consistent with the policies and procedures of third-party payers that are made known by such payers to medical practices and billing companies or otherwise known by AMB.

The parties may, from time to time, mutually agree to specific lawful and appropriate operating policies and procedures related to the performance of Services under this Agreement. Any such operating policies and procedures or amendments thereto, will, upon mutual written and signed agreement, become an integral part of this Agreement and shall be binding upon both parties.

9. **Cash Flow Ramp Up.** AMB acknowledges that maintaining adequate cash flow for CLIENT is an important part of the relationship between CLIENT and AMB, and AMB will use its good-faith, best efforts to maximize CLIENT'S cash flow. CLIENT acknowledges that its cash flow is affected by many things, including its run volume, which are out of AMB'S control. CLIENT agrees and acknowledges that AMB has explained that it will diligently begin billing, re-billing, and following up on CLIENT'S claims as of the Effective Date. CLIENT further acknowledges that it understands that, unless a separate written agreement is entered into, AMB has not agreed to provide Services with respect to CLIENT'S Legacy Claims, and it is vitally important to CLIENT'S cash flow that CLIENT or some other third party continue to re-bill and follow up with respect to its Legacy Claims. CLIENT acknowledges that in order for cash flow to remain at levels comparable to that which existed pre-Effective Date, it is vitally important for CLIENT to continue to diligently bill, re-bill, and follow up with all Legacy Claims with the same effort, timeliness, and manpower as before the Effective Date.
10. **Confidentiality.** AMB agrees not to disclose to anyone other than CLIENT any information about CLIENT's business, fee structure, internal compensation, operating practices and procedures, methods, managed care or facility contracting strategies, or similar business information that would commonly be understood to be confidential or any confidential medical information regarding CLIENT's patients received in the course of performing the Services (CLIENT's "Confidential Information"), except as required to bill charges, as legally required, or as otherwise provided herein.

CLIENT agrees that it will not disclose to third parties' information about AMB'S business, fee structure, strategies, internal compensation, operating practices, procedures, protocols, methods, vendors, computer hardware and proprietary software utilized, and resulting or related processes employed by AMB to provide the Services (AMBs "Confidential Information"). AMB acknowledges that CLIENT is subject to the Kentucky Open Records Act and must disclose certain documents pursuant to statute.

Each party's Confidential Information shall remain the property of that party, during and after this Agreement. Both parties shall, at all times, have in force a signed Confidentiality Agreement executed by each full time and part time employee, independent contractor, consultant and vendor that requires CLIENT'S Confidential Information and AMB'S Confidential Information to be maintained and protected as set forth herein, which said Confidentiality Agreement(s) shall survive the expiration or termination of this Agreement. Both parties shall comply with, and assist the other with compliance with applicable state or federal confidentiality requirements as to individual patient information. Notwithstanding the foregoing, CLIENT agrees that AMB may use CLIENT information for research and statistical compilation purposes so long as CLIENT and patient identifying information is kept confidential in accordance with applicable law.

11. Software and Proprietary Information. AMB will at all times during the term of this Agreement, have a valid and current copy of and license for use of any third-party billing software used to provide the Services required hereunder, and CLIENT will be given timely notice of any changes in third party software vendors or systems to the extent those changes would materially affect the Services. The parties agree that AMB may store Demographic Information, back-up documentation, statements, explanations of benefits, payer inquiries and other information it receives in connection with the Services ("CLIENT Information") in electronic form through optical scanning or other technologies selected by AMB and that AMB is not obligated to maintain paper copies. AMB will at all times maintain a current and complete copy of all CLIENT Information in a secure, off-site location and that no CLIENT data shall be deleted or purged unless a period of seven years has passed since the date services were provided by CLIENT or CLIENT gives written approval of such data deletion.

It is specifically acknowledged that all CLIENT data is the property of CLIENT but that AMB may maintain a copy for documentation of Services and for other purposes relating to this Agreement during and after the term of this Agreement.

12. Termination. This Agreement can be terminated by CLIENT at any time with 90 days written notice for any reason. In the event this Agreement is terminated, for whatever reason, or expires, the parties agree as follows:

- a) AMB shall continue to perform Services, and be entitled to the Base Fees set forth herein, for a period of one hundred twenty (120) days after the effective date of termination (hereafter "Wind Down Period") for all of CLIENT'S charges for services rendered prior to the termination date (hereafter "Wind Down Fees").
- b) CLIENT expressly agrees to cooperate and assist AMB with its performance during the Wind Down Period and will timely report, or cause to be reported, all payment received during the Wind Down Period.

- c) AMB shall discontinue performing Services for CLIENT at the end of the Wind Down Period. CLIENT shall have no right to require the discontinuation of Services before the completion of the Wind Down Period.
- d) AMB shall deliver to CLIENT, conditioned upon full payment to AMB of all Undisputed Charges, a complete list of the existing accounts receivable (all debit and credit balances) in an industry standard electronic format, including data layout and/or translation tables.
- e) Except for the foregoing, AMB shall have no further obligation to provide any Services after the effective date of termination, except for any additional services specifically agreed to be provided by AMB.

13. **Non-Employment.** During the term of this Agreement and for a one-year period commencing with the termination of this Agreement, both parties agree not to employ, directly or indirectly, or through any third-party rendering services on behalf of such party, any employees of the other or its parent, affiliates or subsidiaries, without written consent of the other party. Both parties agree that the other party does not have an adequate remedy at law to protect its rights under this section and agree that the non-defaulting party will have the right to injunctive relief from any violation or threatened violation of this section.

and/or intentional acts which cause damages in performing its duties and obligations hereunder.

Any inspection performed shall be subject to the confidentiality provisions of this Agreement and shall be conducted so as not to disrupt AMB's staff or business. AMB shall not unreasonably deny, restrict or delay access for any requested inspection. In the event that CLIENT engages the services of an outside party to conduct or assist in any inspection, CLIENT shall ensure that all other parties are bound by a Confidentiality Agreement identical to the one applicable to the parties to this Agreement.
20. **Force Majeure.** Time is of the essence in the performance of the duties required by each party hereunder. However, performance of duties hereunder may be impeded by occurrences beyond the control of one or both parties. Events such as flood, earthquake, hurricane, tornado, blizzard, fire, riot, war, insurrection, or civil disturbance, strikes by common carriers, extended loss (more than 48 hours) of utilities (except for non-payment), and similar events shall excuse the affected party from performance of services impeded by such event(s). Nevertheless, each party has a duty to use reasonable efforts to prevent or mitigate such impediments. In the event that any catastrophe shall prevent the timely billing of CLIENT's services by AMB for more than fifteen (15) working days, CLIENT shall have the right to secure, without penalty, substitute services until AMB can restore services, at which time AMB's responsibilities and rights under this Agreement shall be reinstated.

For its protection, CLIENT shall, at its own expense, purchase and maintain business interruption and/or accounts receivable insurance coverage to cover any such catastrophic event, as stated above.

CLIENT, to support the billing process and to facilitate optimal performance by AMB, shall do the following:

1. Identify one administrative and one clinical representative to whom AMB may, respectively, address all matters related to Services under this Agreement. If AMB or its selected vendor performs coding for CLIENT, CLIENT will also appoint a coding representative. All CLIENT representatives will have the power to agree, on behalf of CLIENT, to mutually agreed resolutions to any issues arising in their respective areas, and upon AMB's request, receive confirmatory memoranda or letters, which will thereupon be incorporated into this Agreement by reference. These individuals appointed by CLIENT will provide timely response to all reasonable requests by AMB.

4. CLIENT will provide AMB with timely notice at least sixty [60] days prior to the expected addition or reduction of services so that AMB has adequate time to perform its duties under the Agreement. AMB will not be responsible for losses or delays in payment resulting from untimely notice.

As part of the inducement, each to the other, to enter into this Agreement, both parties have represented that they do, and will continue to operate consistent with and fully comply with their respective Corporate Compliance Plans, to the extent that such plans have been adopted. 7. Both parties specifically agrees that they will defer reporting any such concern to any payer, governmental agency or agent, or law enforcement organization until they have complied with the

above paragraph and remain concerned that the other party's response is inappropriate or more than thirty (30) days has elapsed without any response. Both parties agree that only in cases where a party has firm, credible evidence of deliberate, willful or criminal misconduct will they immediately report concerns to anyone other than the other party.

8. Nothing herein shall be construed to infer or imply a duty or expectation that any party will knowingly conceal or participate in any misconduct, or allow any misconduct to continue.
