SUBJECT:

Request for Legistar Submission-
Flock Safety Pilot Program

FROM:

Assistant Chief Eric Lowe
Bureau of Administration

Axon Enterprises and Flock Safety have partnered to conduct a nationwide study on the impacts of license plate readers on crime with the National Police Foundation. In return for participating in this study Axon is willing to pay for the entire cost of installing and maintaining 25 of their camera systems in Lexington and providing us access to the data. In order to participate we would need to enter into the attached agreement with Flock Safety.

The agreement has been reviewed by Attorney Sanner in the Law Department.

There are no budgetary impacts for participation in this pilot. All costs are being covered by Axon Enterprises.

There is a deadline to participate in this pilot of delivering a signed agreement to them by the end of December 2021.
