for Lextran's Comprehensive Operational Analysis (COA) Agreement for  
Transit Planning Funding Section 5303 (CFDA 20.505)**

---

**Request:** Council authorization for the Mayor to execute Amendment No. 1 and accept an increase of federal funds from the Kentucky Transportation Cabinet in the amount of \$125,677 for transit planning. Lextran will contribute \$31,419.25 in matching funds.

**Purpose of the Request:** On March 17, 2020 (Resolution 129-20) Council authorized acceptance of federal transit Section 5303 funds from the Kentucky Transportation Cabinet in the amount of \$320,000 for Lextran to conduct a Comprehensive Operations Analysis (COA). The original contract with KYTC expired on June 30, 2021. This action will amend the FTA 5303 FY 22 grant to add funds that were carried over from the prior award in FY20 and extend the deadline with KYTC to complete the study to June 30, 2022. LFUCG is a pass through to Lextran for these funds. The 80% federal amount to be amended to FY22 is \$125,677. Lextran is responsible for the 20% local match (\$31,419.25). There is no exchange of funding between LFUCG and Lextran for the 20% match

**The cost in this budget year and future budget years:** Federal funds of \$125,677 have been awarded for transit planning. Total project cost is \$174,077.
