A Resolution authorizing and directing the mayor, on behalf of the Urban County Government, to execute a multiyear Information Systems Agreement (awarded pursuant to RFP No.19-2014 - Utility Billing System and IVR) and related documents, with Systems & Software, Inc., to provide software and services related to the LEXServ Billing Project, at a cost estimated not to exceed \$2,502,181.00 in FY2016. [Div. of Revenue, Cook]

Authorization to approve implementation of Systems & Software User Fee Billing and Collections . The revenue department requires this because the new software is needed to bring the LEXServ billing process in-house. This will allow LFUCG to end their outsourcing of Sewer, Landfill, and Water Quality Billing, and eliminate the business risk associated with an outside provider for this service. The cost for FY 16 is \$2,502,181 and funds are budgeted. The recurring cost will be \$923,497.00 (L0977-15)(Cook/O'Mara)
