A Resolution authorizing the Mayor, on behalf of the Urban County Government, to execute a Statement of Compliance pursuant to Ky. Transportation Cabinet Bridge Posting Requirements. [Div. of Planning, Bayert]

Authorization to execute a "Statement of Compliance" bridge posting requirements for filing with the Kentucky Transportation Cabinet. Each year the Kentucky Department of Highways informs the LFUCG of our bridge weight limit posting needs for the bridges in the National Bridge Inventory in Fayette County. According to the attached memo from Mr. Kelly A. Baker, P.E., Chief District Engineer, one substandard bridge in Fayette County is now in compliance with the "National Bridge Inspection Standards, Bridge Posting Requirement". In order to remain in compliance and be eligible to receive Federal Bridge Rehabilitation or Replacement funds, we must sign and return the attached form as soon as possible. As of October 29, 2015 all bridge posting requirements have been met and were confirmed visually by Traffic Engineering. There is no budgetary impact. (L1465-15) (Bayert/Paulsen)
