A Resolution authorizing the Div. of Community Corrections to procure the upgrade of the fire alarm panel and related services from Siemens Building Technologies, Inc., a sole source provider, at a cost not to exceed \$176,400, and authorizing the Mayor, on behalf of the Urban County Government, to sign any necessary Agreement with Siemens Building Technologies, Inc., related to the procurement. [Div. of Community Corrections, Ballard]

Authorization to execute a sole source provider agreement between the LFUCG and Siemens Building Technologies for the installation of an upgraded fire alarm panel at the Division of Community Corrections. The current panel will be obsolete. This project was bid with RFP#1-2014. Siemens has agreed to honor the pricing. This is a sole source project because the fire alarm panel must communicate with the existing Siemens fire alarms. Project is fully funded with FY15 Reallocation monies. The amount of the project is not to exceed \$176,400. Funds are budgeted. (L0681-15)(Ballard/Bastin)
