Section 3 - That Section 14-90(2) of the Code of Ordinance of the Lexington-Fayette Urban County Government be and hereby is amended to read as follows:

- (2) For each and every tow, a receipt bearing the identifying tow number must be given to each person who redeems a vehicle which has been towed by

the private impound tow truck service upon release of the vehicle. The information on the receipt must be clearly legible and include the date and place of the tow., the license plate number and the state of issuance, the make, model and color of the vehicle, the private impound tow truck service operator's employee number or name, and the name of the private impound tow truck service said operator works for. The receipt must also list the amount of money paid for the release of the vehicle. Any receipt provided to the redeemer of the vehicle must be itemized so that the individual fees are clearly discernible. All receipts shall include a statement of the right to make a written complaint to the Division of Police Traffic Section, at 150 E. Main Street, Lexington, KY 40507. A copy of the receipt must be retained by the private impound tow truck service for a period of two (2) years and shall be made available for inspection upon written request to the division of police, commissioner of public safety, a law enforcement agency, the Attorney General, a city attorney, county attorney, or the prosecuting attorney having jurisdiction in the location of any of the towing company's business locations, the disabled motor vehicle's owner or lienholder, an agent of the disabled motor vehicle's owner or lienholder and any individual involved in the underlying collision, his or her respective insurance companies, or his or her legal representatives, if the disabled motor vehicle was involved in a collision.
