WHEREAS, the approved grant application provides for the SUBRECIPIENT to provide services as described in the grant application; and

WHEREAS, the GOVERNMENT'S responsibility for ensuring compliance with all grant requirements necessitates a written agreement with the SUBRECIPIENT; and

WHEREAS, the parties desire to enter into this Agreement to set forth the terms and conditions pursuant to which SUBRECIPIENT shall provide the required services.

STATEMENT OF AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and mutually agreed upon promises, conditions, and covenants hereinafter set forth, pursuant to grant requirements, the parties hereto agree as follows:

The SUBRECIPIENT agrees to complete the scope of work in Exhibit “A” (the “Services”). The Services shall be operated in a manner satisfactory to the GOVERNMENT and in compliance with all local, state and federal laws and regulations.

SUBRECIPIENT’S specific responsibilities include providing naloxone to first responders, individuals and community groups, providing data on naloxone distribution to GOVERNMENT and to the evaluator of the grant. SUBRECIPIENT also agrees to participate in monthly program implementation meetings.

SUBRECIPIENT is strictly prohibited from using Federal funds, directly or indirectly, including through cost-sharing, matching funds, or subsequent reimbursement, to support so-called “harm reduction” or “safe consumption” efforts that facilitate illegal drug use.

Specifically, grant funds must not be used to purchase, distribute, or otherwise support the provision of drug paraphernalia as defined by applicable law. This includes, but is not limited to, syringes, needles, pipes, or other supplies used for the injection, inhalation, or ingestion of illicit drugs. Funds are also prohibited from being used for sterile water, saline, or ascorbic acid when intended to facilitate drug use. While these prohibitions are in effect, this does not preclude the use of grant funds for legally permissible supplies and activities that align with evidence-based practices, such as the provision of naloxone or nalmefene, fentanyl or other drug test strips, or the facilitation of referrals to treatment.

Failure to comply with any of these terms and conditions as well as the HHS Federal grant regulations, may result in one or more enforcement actions. These actions can include the suspension or termination of the award, the withholding of future payments, and the recoupment of any misused funds.

B. Reporting

SUBRECIPIENT shall be responsible for submission of progress reports to GOVERNMENT. Reports shall provide information on project activities, including the number of naloxone kits distributed, the number of community classes held during the quarter and the number of naloxone kits distributed during community classes.
